

Assemblyman Seeks Re-election At June Primary

RICHARD J.

DOLWIG

Assemblyman Richard J. Dolwig, South San Francisco attorney, announced he will seek re-election as San Mateo county's assemblyman at the June primary election.

Dolwig is now completing his second term. In the short time he has represented San Mateo county he has won many important committee assignments. Dolwig is a member of the committee on rules, one of the most important Assembly committees.

Since election to the Assembly in 1946 the San Mateo county assemblyman has been a leader in the move to secure adequate highways for San Mateo county. Dolwig has spearheaded movements seeking immediate completion of the Bayshore Freeway and to provide grade separations throughout the county.

Closely linked with Dolwig's highway program is the work of his Interim Committee studying plans for a second crossing of San Francisco Bay. Dolwig's committee is also studying the Reber plan. A hearing on the Reber Plan will be held in San Mateo after the assemblyman returns from the March Budget session.

The assemblyman states his campaign is now in the process of being organized and will get in full swing early in April.

In his two previous campaigns Dolwig has had strong support from San Mateo leaders representing both the Democratic and Republican parties.

1950 Easter Seal Campaign Opens Here March 9

The 1950 Easter Seal campaign to raise funds for the treatment and care of crippled children in San Mateo county will be in progress here from March 9 to April 9 with Mrs. Cyril R. Tobin spearheading the drive as campaign chairman.

The announcement was made this week by S. D. Merk, president of the San Mateo County Society for Crippled Children.

"The plight of crippled children (Continued on Page 2)

Ask The Fish! They Really Know Water

Even the fish have a way of knowing about the 99 per cent pure Daly City water.

Last week-end A. J. Bodien received a rush order from the San Francisco Sports Show for a tank of water. The pure liquid was needed to fill the show's "Kids' Fishing Tank." This is the tank sponsored by the Daly City Rod and Gun Club in which hundreds of trout swim contentedly while the small fry attempt to catch them with a hook and line.

At first the tank was filled with San Francisco water. But the fish didn't take to the chlorine in the Bay City's water, and they settled down on the bottom of the tank to die.

Bodien was willing to send the life saving Daly City liquid, but with one provision . . . they'd have to put up a sign saying the water came from Daly City.

That proved too much for the San Francisco sportsmen. They sent out an emergency truck north of the city to get some pure water from another source. The tank was quickly filled again and the fish revived. And as far as anyone attending the show knows the water is from San Francisco.

BROADMOOR VET FELS THUG

"Billy The Kid" Is Only A Punk
Today As Punch Ends His Career

Nursing his jaw in a Redwood City cell today is a 19-year-old holdup man whose career of crime ended suddenly Tuesday night via the fist of a former infantryman.

William A. Houston, who until recently thought he was another "Billy the Kid," was felled by a punch from John J. Hart, 192 pound resident of 868 Larchmont drive. The punch came after a wild half-hour chase through Broadmoor in which three shots were fired and scores of policemen combed the area for Houston and two companions.

Joking with deputies over the lozen robbery he has committed within the past few weeks, Houston was booked in Redwood City Wednesday. Also booked was Frank D. Guida, 21, a shoemaker who resided with Houston in a San Francisco hotel.

Officers are still looking for a third man today, although some suspect Houston's tale of a blond,

tall companion is nothing more than a ruse.

Although his career of crime was halted by the Broadmoor man, Houston today had nothing but words of admiration for Hart. "I pulled a gun on him, and instead of backing up, he jumped me. He must have hit me with a sledge hammer. I went clean across the front yard," Houston said.

Actually, when Houston came to the door, Hart pushed him aside yelling to his wife to close the door. Out on the steps Hart sent a left to Houston's jaw, knocked him down, and then sat on him until police arrived. However, before he had quelled the young holdup man, Houston had fired one shot near Hart's feet.

Now that all the excitement is over, in which police estimate over 300 Broadmoor residents took part, officers construct Tuesday evening's excitement like this:

At 5:27 p. m. the two men, or (Continued on Page 2)

Bocci Asks All To Help Red Cross

Thomas Bocci Jr., candidate for the South San Francisco judgeship June 6, urged all local residents today to give generously to the Red Cross.

He noted that so far, local chairmen have met with general success in their collecting, but he hopes the \$2,000 quota can be met before the March 31 deadline.

The Daly City attorney noted that the Red Cross offers many services to both servicemen and civilians.

"Remember, that a good part of the money contributed to the Red Cross is returned here for local use," Bocci said.

(Continued on Page 2)

Major Concordia Property Owners Express Themselves n "Problem"

Principal business before the meeting of the city council Monday night will be the continued hearing on the Concordia assessment district.

At that time it is expected the council will either further delay or approve a \$110,000 assessment district for the north eastern area of Daly City. What they do depends on the sentiment of those residents in the area who are fighting efforts of the Starlite Theatre Co. to use Lowell and Guttenburg streets as an exit and entrance respectively.

Meanwhile, the three major property owners in the area, F. V. deBellis, A. L. Kreuzberger and Frederick Luippold this week wrote the following letter to the

Daly City Reaches Quarter Mark In Red Cross Drive

The 1950 Red Cross Fund campaign in Daly City has reached 28 per cent of the quota, Joe Lewkowitz, chairman, said today.

With a quota of \$2,000 Daly City has already contributed \$600 in the first eight days of the drive. Lewkowitz and Co-chairman Mrs. Floyd Harris were confident that the whole sum can be collected before the drive ends.

Meanwhile, the county reports that \$21,500 of the \$108,000 quota has been collected to date. This represents 20 per cent of the county quota.

All chairmen are requesting residents to cooperate with volunteers who are giving up their time to solicit, by having contributions ready. Those who work (Continued on Page 2)

ISSUES IN ELECTION

BOTH SIDES REPORT WHAT THEY
HOPE TO DO IF ELECTED APRIL 11th

Forthwith are the statements of the six men who are seeking election to the city council April 11.

The six are divided into two "camps." On one side are Mayor Paul Green, Councilman A. J. Gaggero and James H. Kennedy.

Opposing them will be Councilman Mel Battye, Hugh Smith Jr. and Ed Nenstiel.

During the next few weeks the "Record" will keep its readers informed of the men and issues involved in the coming election.

Calling for popular support to complete the greatest program of civic improvement ever started in Daly City, city council candidates Councilman A. J. Gaggero, Mayor Paul Green and James H. Kennedy, running as a three-man ticket at the municipal election on April 11, reviewed the improvement program in a statement to the Daly City Record this week.

"For many years, candidates have talked about a 'bigger and better Daly City,'" said Gaggero, "but the present administration was the first to do something about it. The annexation of Westlake, which will make Daly City one of the biggest and best cities on the peninsula, coupled with the bond election for three new parks and a fine community center building, are already in progress; completion of these projects will give us many services and round out more complete community facilities."

"We have just completed new municipal water facilities which more than double the previous capacity, and which guarantee ample quantities of good water for many (Continued on Page 2)

WATCH THE SIGNALS; AVOID A SCOOTER WRECK

Teaching children to avoid accidents when they are older is part of a new safety campaign now being carried on at local schools. This is one of the simulated signals the children watch while "driving" around a figure eight course. James Snell, superintendent of schools, (his hand on the shoulder of Robin Gillen) points out to the youngsters how the signal operates. To the left of the signal is Hugh Falconer, general supervisor of Daly City schools, while to the right is Henry C. Hall, assistant county superintendent of schools. The other lad on the scooter is Ronald Page. The youngsters in the background, left to right, are: Carlos Colorado, Sharen Sells, Marlene Schultz, Tony Tapia, Peter Rogers, Edward Griffin, Norman Neskey and John Van de Veer.

Safety Town Teaches Future Drivers How To Survive Behind The Wheel

A new and unusual type of safety instruction has just been introduced into the Jefferson Elementary schools.

The methods employed are so new that nowhere else in California are they being used except in San Mateo county.

The project is called Safety Town. Equipment for it had to be developed in the San Mateo County Department of Education.

It employs children's-size traffic lights, children's-size vehicles, and a figure-8 roadway which is laid out on the school grounds.

The new project was used at (Continued on Page 2)

Safety Town

(Continued from Page 1)
a conference on traffic safety education two years ago called by Pansy Jewett Abbott, county superintendent of schools. Confering with her assistant superintendent, Henry C. Hall, and Mrs. Eleanor Freeman Collins, assistant superintendent in charge of curriculum work, Miss Abbott voiced her discontent and fears about the traffic accident situation.

Hall advanced the theory that the present-day critical situation on the highways could be met only by starting at the earliest possible moment—from kindergarten on—to teach tomorrow's drivers how to use properly our streets and highways.

"Today's bicycle riders are tomorrow's drivers," reasoned Hall. This has been the slogan of the county office of education since.

Miss Abbott concurred in Mr. Hall's statement, and directed Robert M. Moore to work with the safety education program for the county. Working under the direction of Mrs. Collins, Mr. Moore developed Safety Town and several other safety projects. Bicycle inspections, the Green Pennant Traffic Safety Campaign, and school safety patrols are now used in every school district in the county.

Hugh Falconer, general supervisor of Daly City schools, has been detailed by Superintendent Shell to assist in arranging for Safety Town to be presented in all the Jefferson District schools. The police department is cooperating in laying out suitable sites.

Safety Town introduces kindergarten and primary grade children to traffic experiences, both as pedestrians and riders. Observing traffic lights and rules of the road such as keeping to the right, hand signals, and generally being cautious and safe in traffic situations are introduced to the children in pleasant but concrete form. The traffic lights in use were especially designed by the county office.

The layout is 70 feet long and 40 feet wide. Children are taken in groups of eight for instruction. The experiences are followed up in the classroom by teachers, who coordinate safety with such subjects as drawing, reading, and writing.

Several safety organizations have become greatly interested in the new project, and are rapidly spreading work of its success.

J. E. Motell, director of safety and safety education, Richmond city schools, visited Jefferson School while Safety Town was in operation last week. He proposes to copy the project for Richmond. The American Automobile Association and the National Automobile Club both have requested pictures and a story from Moore. The San Mateo County Traffic Safety Commission is in favor of all schools acquiring similar equipment. PT units are unanimous in endorsing Safety Town.

Easter Seals

(Continued from Page 1)
and their families." Mrs. Tobin said, "is one of life's worst tragedies and compels compassion, understanding, and, most importantly, our material aid. The annual Easter Seal campaign is designed to relieve the awful consequences which are the lot of the crippled child."

Mrs. Tobin pointed out that the work of the county society last year was threatened with serious curtailment because of lack of funds. She emphasized that this year more and more assistance from local residents must be forthcoming if the increased demands of the growing peninsula area are to be met and handicapped youngsters are to be provided with the vital therapy they need to regain health and strength.

This year's campaign goal, according to Mrs. Tobin has been set at \$26,300 which is the minimum amount needed to carry on the year-around effort of the society. The staff of the drive this week was heralded with the mailing out of over 45,000 individual letters to county residents. Each letter contains the familiar sheet of Easter Seals and a return envelope to be used for making gifts to the crippled children's fund.

Green Statement

(Continued from Page 1)
years to come. In this respect we are more fortunate than many other California communities. "Also," Gaggero said, "installation of steel enameled street signs throughout the city has contributed to the betterment of Daly City."

"I am pledged to fulfillment of the program; we started the program and actual construction of the Community Center and the new parks will be under way very shortly, as soon as architects and engineers put the finishing touches on plans and specifications. Some of the recreation facilities will be in use by this summer."

AUL GREEN
Pointing out other improvements for which negotiations are nearly completed, and scheduled for completion this summer, Mayor Green called attention to new traffic signals and traffic separation facilities on Mission street in the San Jose avenue, Hillcrest drive, Hillside boulevard area, and on Mission at the Market street, San Pedro road intersection. In addition the State Division of Highways will perform a survey on Mission street, in order to determine locations for additional signals to protect pedestrian traffic.

"Other important negotiations are the selection of a larger post office building, for which bids will be taken by the federal government for a large, permanent federal post office building, which will be the first federal building in Daly City. "Our recreation program has attracted state-wide attention, and we are credited with being one of the most progressive cities under 25,000 population in this field; the next year will see expansion of this recreation plan so that proper facilities are insured for all population age groups.

"Among other projects which will be completed in summer are the installation of mercury high-lumen street lights the entire length of Mission street, from the county line to San Pedro road. These will make Mission street in Daly City the best-lighted strip of El Camino Real in the entire state.

"I think there can be no doubt but that we have given the city more and better services, with lower taxes, and the record stands for itself. Daly City has, in the last two years, grown up to be one of the most progressive cities in California."

IMES H. KENNEDY
Mr. Kennedy, of a pioneer Daly City family and a former student body president and letterman in football and basketball at Jefferson high school, heartily endorsed the program of incumbents Gaggero and Green and pledged his support to continuance of the program.

"After years of lethargy under do-nothing administrations," Kennedy said, "the present administration has taken the bull by the horns with a record of achievement which is phenomenal."

"For example, we now have the newest and finest ambulance of any city in the county; it is city-owned, completely equipped and a credit to the community, providing first-class service. "Furthermore, everyone remembers the Christmas lighting the length of Mission street. The city was that equipment and next year's holiday decorations will be bigger and better. No prior city council had the 'know-how' to get the job done.

"The same thing applies to the Fourth of July fireworks display at Marebent's Park. For the first time, children have had demonstrated to them the importance of Independence Day, and the display promises to be an annual event.

"These are the sort of achievements which make people proud of their city and their administration. Despite recalcitrant and reactionary opposition from a die-hard minority, the present administration has gone all-out for the improvement of Daly City."

"I am pledged to one hundred per cent support of A. J. Gaggero and Paul Green in their unselfish efforts to build a bigger and better Daly City. A good, cooperative council, working along these lines, will accomplish results which will benefit every member of our community."

Signed:
PAUL GREEN

Battye Statement

(Continued from Page 1)
trol of the present majority of the city council, this city is gaining a wide and unsavory reputation as a center of vice—a little Cicero. We will restore the good reputation of this city as a clean community of homes, families and good living.

"Soaring government costs: More than a year ago when the city voted to annex Mr. Henry Doelger's Westlake holdings, the cost of operating city government was \$310,000. Now it is \$440,000."

"We inaugurated annexation, but not in the form the present majority of the council put it on the ballot. None of Mr. Doelger's homes are on the tax rolls as yet, and he has paid less than \$2,000 in taxes to date.

TAXES
"In addition the present council majority has exempted from personal property taxes all of the equipment, machinery and other property at Mr. Doelger's Westlake holdings, as this tax is one of the major items, especially in view of the huge increase in cost of government, since annexation? We think not, and we aim to see that Mr. Doelger pays a just and fair share to help cover the new costs his annexation has inflicted on the city under the terms accorded him by the present council majority."

"Remember, you were told how his annexation would cut your taxes. All of us supported the annexation originally, but not under the present terms.

IMPROVEMENTS
"Recreation and Community Center: This program was inaugurated long before the present council majority took office. The council got excited about it on the eve of our city election. Since they have been in control little or nothing has been accomplished, despite the fact the taxpayers have approved a \$390,000 bond issue for the program. The powers that be have sold these bonds on a 30-year basis so that the people of Daly City will pay an additional \$101,000 in interest charges. Is this the businesslike administration about which they are boasting?

"These are a few of the vital issues which this city is concerned with the coming election. We shall have more to say regarding them, and others as the campaign progresses. However, we can say that hundreds of parents, sick to death at murder, gambling and book-making wars have joined our cause. They want the type of city in which they can raise and educate their families without fear, horror and intimidation. They want a respectable city."

CANDIDATES
Councilman Battye, who has served as mayor, is widely known for his civic activities. He is past president of the local Eagles, and charter member of the Lions. Smith served four years on the council and retired in 1946. He is manager of the Mission Auto Court, member of the Eagles, past commander, Old Glory Post, Veterans of Foreign Wars; member of the executive boards of the California Mission Trails and the California Motor Hotel association.

In addition to owning and operating the Daly City Hardware Co., Nienstiel is a member of the Eagles, past president of the Rod and Gun Club, and active in labor circles, having carried a bricklayer's card for 20 years.

Signed,
HUGH H. SMITH JR.
ED NENSTIEL
MEL BATTYE

BUILDING PERMITS TOTAL \$338,938

Building permits totaling \$338,938 were issued by the city this week to Henry Doelger and Lloyd Sundberg, respectively.

The largest permit went to Doelger for 36 homes in the Westlake tract. The city valued this permit at \$315,836.

Sundberg was issued a permit, valued at \$23,100 for three five-room homes at 309, 313, and 317 Bellevue avenue, respectively.

Improvement of Daly City. "I am pledged to one hundred per cent support of A. J. Gaggero and Paul Green in their unselfish efforts to build a bigger and better Daly City. A good, cooperative council, working along these lines, will accomplish results which will benefit every member of our community."

Signed:
PAUL GREEN
A. J. GAGGERO
JAMES KENNEDY

Concordia Land

(Continued from Page 1)
named tracts were contacted and signed up for the construction of street work in this tract.

Last year we signed an agreement with the Daly City Council in which we agreed to advance the sum of \$13,000.00 for the installation of a water pipe system to accommodate all the new homes built in this district. This amount of money, frozen and tied up from being used for further investments by us, would be paid back to us from the revenue of the Daly City municipal water works, over a period of 4 years at no interest.

The Daly City Engineer's Office formulated and issued its estimate of the cost of the complete street work improvement project. Construction bids were to be accepted based upon the estimates of the Daly City Engineer's Office.

For the last four months our work of progress and development has been held up by some well-meaning, but badly misguided, citizens. These citizens have confused and mixed our project, legally approved and accepted, with an adjoining project which has nothing whatsoever to do with ours. The other project referred to is an open air theatre on lands owned by the Crocker Estate in San Mateo County and outside Daly City limits. A few Daly City citizens residing in the Concordia land sub-division have protested the establishment of an open air theatre, something over which they have no jurisdiction to make any protest—it being outside of Daly City limits.

Their protests were based on several grounds, the main one being that our intended developed and constructed streets would be used by a continual flow of motorized nightly traffic, to and from the not as yet established open air theatre. As neither the Crocker Estate nor the open air theatre people have applied for a permit for an ingress and egress to this development, there is no ground to confuse the theatre project with our housing development.

In the past this undeveloped area was used for unkempt garbage disposal, indiscriminate and unsupervised target firing range and, being an isolated area, promoted and encouraged delinquency and illicit petting parties. Our development would do away with all these illegal acts and bring orderly progress to Daly City.

Further delay will constitute a loss to the optimum general welfare of Daly City as a source of increased tax revenues.

Further delay will prevent our development and prevent the enrollment of new citizens in Daly City.

Further delay will hold up and prevent our area from being used as a headway of residential avenues of expansion for Daly City into future annexing areas of San Mateo County in a far reaching program.

The major financial burden of the proposed street improvements through assessment, is being assumed by the individual sub-dividers and not by the individual property owners.

The only issue properly and legally presented and approved is the development of the housing project in the Concordia Land Association and Bella Vista tracts. The contract for the street improvement work should immediately be let out as scheduled.

The time for a clear-cut understanding of the only issue has now arrived. If any further obstructions, political or otherwise, are placed in our way, we will call the entire development off and let progress go hang.

(Signed)

Boys' Club

(Continued from Page 1)
Johnson of Daly City about April, 1948, and meetings were held in the basement garage of his home on Miriam street.

The membership soon became too large to meet in these quarters and the Club almost broke up before it got started, because of the fact that no meeting place could be obtained. In spite of the fact that no regular meetings were held, the Boys Club Baseball team was organized and equipped with uniforms. These uniforms were purchased with money donated by three or four Daly City business men, and public-spirited citizens.

Frank Lombardi donated the bats, balls, gloves, etc. for the kids who didn't have their own. During the winter of 1948-1949 the Club was practically disbanded because of the lack of a clubhouse. Then a few of the more ambitious citizens began an effort to try to revive the Club. Meetings of this group of people were held in various homes and plans were discussed. Mr. Lombardi was in this group.

Because of a change in employment Jay Johnson, the originator of the Daly City Boys Club, was forced to resign.

Mr. Lombardi had leased a building at No. 2 Hillside boulevard for his auto repair business. The upper floor of the building was not needed by Mr. Lombardi, and he very generously offered it as a clubhouse.

A great deal of cleaning, repairing, painting and other alterations were necessary to make the space suitable. All labor was donated by a few of the organizers. A water heater was donated by Hoyt Water Heater Co. Plumbing and electrical materials were donated. Paint and the use of painting equipment were donated.

A local contractor donated labor for building a stairway to the clubhouse. Finally in May, 1949, came the grand opening and the clubhouse, such as it was (without equipment), was presented to the kids.

An adult group was organized to provide ways and means of keeping the club going. The first 25 members of the group were to be the board of directors. Officers were elected and meetings were to be held weekly to plan and operate the club. Two baseball teams were organized and entered in the league. A benefit dance was planned to raise funds. The boy membership swelled so rapidly that the clubhouse had to be scheduled to two periods each evening. Boys 8 to 14 years, 6 p.m. to 8 p.m.; older boys 8 p.m. to 10 p.m.

A good deal of used equipment for the club had now been donated by various groups and individuals. We now had four sets of boxing gloves, a set of basketball hoops, softball equipment, punching bags, etc. The club purchased ping-pong tables and equipment.

This was nowhere near enough equipment for 300 kids, nor was the clubhouse adequate, but it was something. At this time, the club was fortunate enough to secure the part-time services of a U.S.F. student, majoring in P. E., to act as director and supervisor, at the nominal salary of \$30 per week, or about \$1 per hour. Three of the committee members agreed to underwrite this expense until the club was in financial position to pay its own way.

The first benefit dance showed a profit of about \$300 net. And it looked as if the club was on its way. The San Francisco Boys Club, under Harold Meyer, was generous enough to allow us to participate in the ticket sale for the All-Star High School Baseball game at Seals Stadium. This net-

Frederick Luippold

Lenten Service Wednesday

The second of a series of sermons appropriate to the Lenten season will be delivered Wednesday, March 15, at the Broadmoor Village Lutheran Church, White street, near 87th.

Time for the sermon is 7:30 p.m. It will be delivered by The Rev. Max Zschiegner. The topic will be: "Behold the Man, in His Courage."

As usual, the regular Sunday services will be conducted at the church this Sunday, beginning at 11 a.m.

ted the club about \$50.

The San Francisco 49ers football club, through the kindness and efforts of Mr. Buzz McGee, sent several members of the 49er team to our clubhouse, and put on a show for the kids. We also were permitted to participate in the ticket sales for the 49er - Inter-Squad game played at Kezar Stadium. This was about \$50 more for the club. Not a lot of money, but it helped and it didn't come out of the pockets of the few who had been doing it all financially.

A second benefit dance was not as successful as the first. In fact, a last-day drive on ticket sales by a local tavern owner is all that kept it from being a disaster in the way of a financial loss.

A Thanksgiving turkey raffle was planned and organized by a few of the mothers, and through the fine effort of everyone the net was about \$300. Some of our eight and 10-year-old kids sold \$40 to \$50 worth of tickets at 10c each.

Still this was nowhere near enough income to offset expenses. A regular salary of \$30 per week, plus the expenses of baseballs, bats, and repairs and cleaning of uniforms, etc., and after January 1, 1950, there were insufficient funds to continue the hired supervision, so it was necessary to dispense with this service temporarily.

The club plans to continue to support a basketball team and the baseball teams.

The clubhouse is no longer available.

The prime purpose of the club—to give the boys something to do, and keep them off the streets—did not materialize.

The equipment is stored away.

Some forty-eight chairs purchased for the club are to be sold to help finance the teams.

The few members of the committee left have hopes that when Daly City's new War Memorial recreation center is completed it will take over and do the job we were not big enough to handle.

Signed,
E. W. GRAY

Council Holds Brief Meeting To Set Up Polls

Holding a fast five minute adjourned meeting Monday night, the city council passed a resolution setting up consolidated voting precincts.

In a word, the resolution was passed so voters may have a chance to choose three candidates at the municipal election, April 11.

One of the councilmen confided that the five had met last Monday at the regular meeting and had almost overlooked the necessary procedure.

While several residents of the Concordia group were present, no mention was made of the assessment district problem. Elmer T. Vert, spokesman for the group, said he would continue the fight at the next regular council meeting, March 13.

Red Cross Drive

(Continued from Page 1)
in San Francisco and here are being asked to give at least part of their donations at home, as only money raised in this county provides Red Cross services in Daly City.

"Everyone benefits either directly or indirectly from work carried on by the Red Cross. Give generously to maintain these vital services," Grant Williams, publicity director, said.

Last week the Record printed a list of merchants who have contributed 100 per cent to the Red Cross, and are now displaying large Red Cross stickers in their windows.

Other merchants now displaying the 100 per cent label include: Daly City Creamery, Martin's Egg store, Rhoda's Barber shop, Louis Barber shop, Daly City Blind and Shade, Warshawski's, Sproule-Reitz, J. Grandy, Mission Auto Co., Universal Printing, Hopman Radio, Frank's, Smoke Shop, Duffy's Tavern, Conci Shell station, Harry's Market, French Cleaners, Eve's Tavern, Standard Case, Long Pup, Mid City Market, Rector Insurance Agency, Sweeney and Sons, Mobile Service, Keithley's Market, Lang Garage, Old English Bakery and Sylvia's Cleaners.

(Continued from page 1)
trio, held up a gas station in San Francisco. Two hours later another gas station was held up at Portola drive and Burnett avenue. San Francisco police alerted all cars.

A few minutes after 7 o'clock Daly City officer August Benassini spotted the getaway car going south on Junipero Serra. Benassini gave chase, followed by Henry Sundermann on a motorcycle.

The car turned up 67th and there Broadmoor police Officer Louis Avanzino took over, chasing the car up to the dead end of 87th. The three men jumped out, and Avanzino gave chase. A moment later Benassini, Sgt. Roland Feurochi and Sundermann followed.

Trailed by hundreds of Broadmoor residents, some of the women even carrying babies, Hart ran up to the front door of Houston's home. When Hart opened the door Houston jumped into the hall, was promptly pushed out again by Hart, and the fight took place.

Broadmoor Officer Avanzino was the only casualty of the evening. While chasing Houston across a field, he fell in a 15 foot hole and suffered chest and ankle injuries. Junipero Serra Hospital authorities report his condition as good.

Meanwhile, the second man, Guida, was picked up near King's Market by highway patrolmen. At first Guida said he was innocent, but officers found \$58 in change in his pockets and a roll of nickels stamped with the gas station's label.

IT'S UP TO YOU

California's modernized highways are being engineered for safety, but safe driving remains the responsibility of the individual motorist, says the California State Automobile Association. When you drive the new highways, keep alert and keep speed under control at all times.

INDIRECT COSTS HIGH
Every motorist knows that it wastes fuel to have the carburetor set for too rich a mixture, points out the National Automobile Club. The indirect losses, however, probably are greater sources of expense. These take the form of excessive carbon deposits, valve troubles, carbon cylinder and piston wear, and more crankcase dilution.

AROUND THE VILLAGES

with Verna Duste

Well, after a lot of searching, we finally found him — the "Party-Goingest" fellow in Broadmoor Village. Name of Nicky Coppola, lives down on 89th street. When it comes to sampling neighborhood cuisine (new word — bought it from Chet Huntley for 5c) Nicky is right there!! His latest stamp of approval goes on the party of Jackie Ford down on Washington. "One o' de boys," Jackie was 7 on March 4th, and celebrated his advanced age by giving a party for his friends — including Karen Brandt, Bobbie Braun, Jimmy and Johnny Beaton, Carl Smith, Larry Bolander, Dennis Miani, and, of course, Nicky. Trudy Ford (Mama — what every party must have) dished out "grub" to the gang, and then they shot off like (Straight) Arrows to the movies! Whew!!

FUTURE VOTERS — Maybe, if the voting picks up, include Sam Ferry Jr., who arrived to the Sam Ferry Srs. on February 15th, weighing 8' 7". Lives on top of the hill, on Larchmont.

Only one more voter for this week — Claudia Denise Backman, who is proud of Daddy George Backman's calm demeanor through his ordeal — yep, birthday February 13th, and weight 8 lbs. 6 oz.

Ronnie Johnson blew four candles off his cake (no, Sam, not clear off!) with the help of Polly Danielson, Pam and Jill Vogel, Buddy, Dickie and Sherry Anderson, Bobby and Gail Goodwin, Lewis Lipset, Mary Helen Richardson, Carol Cordanio, Donnie Scribner, Jackie and Harry Kelleher, and Chuckie, Dolores and Carolyn River. Must have been some breeze!!

SASSIETY KNOTES — The VFW Canasta Group will have its regular monthly session on Friday, March 10, at the Colonial, featuring a Fashion Show by Leslie's, our own Broadmoor Shopping Center "store." One of the smartest stores on the "Strip," Leslie's owes its verve to its charming manager, Dorothy Del Monte, who really has an eye for style, at just the right price for young house-holders.

That pall hanging over the Broadmoor Pharmacy is due to the absence of Jessie Buckwalter's smiling face. The Buckwalters have moved, bag, baggage, Laurel and Carol — to Berkeley, until

Steaks, Raw, Broiled
A steak has a different odor when it is raw than when it is broiled and this is due to chemical changes caused by the heat.

Daddy finishes college. They are currently renting out the house, so fear not, friends, the Buckwalters will return!!

A very surprised Viola Murphy strolled into Maryon Patey's living room last week (March 2, to the statisticians) to the happy cries of "Surprise, surprise!" and "Was she!! Well! Vi, who is expecting in April, was tickled pink (and blue, of course, not being prejudiced!!) Anyhoo, the shower, co-hosted (lovely word — no thanks to Chet Huntley) by Mary Attebery and Maryon Patey.

While we're still on the subject, Mrs. Carol Hess didn't expect the Jolly Girls sewing club to "show-er" her either — but they did, with a lovely baby blanket for "Baby Hess," who is anticipated any minute!

Interested in serving the community? No?? Interested in making twelve bucks a day?? Yes?? Well, then, mail a request to County Clerk W. H. Augustus, P. O. Box 229, Election Registration Department, Redwood City, Calif., asking for an application blank. To serve on the election board, natch!

THE LEGION — plans a Juke Box Dance on Saturday night, March 18th, at the Community Center. These little informal get-togethers are always a lot of fun, y'know.

The Bob Scovels are trekking to Chico for the week end to celebrate Bob's birthday. Many hands make for the Broadmoor birthday children.

The VFW Post election returns were cast and counted, also, with the following results:
Commander, Jack Kelleher; senior vice-commander, Patrick C. Patey; junior vice-commander, Gregory Hood; chaplain, Roy Buckley; surgeon, Anthony Stankus.

As of this writing the adjutant has not yet been appointed. Congratulations, gentlemen!

Well, we could make a lot of smart remarks about our intrepid citizenry — fighting crime in its own backyards, but we won't — just a great big vote of thanks to the Harts, DeWitts and all those "Top-of-the-Hilliers" who caught that gunman. Only, SFPD, you don't have to make a habit of chasing all your criminals down here for us to catch!! Selah!!

Light From Fireflies
Captured fireflies provide the Weaver L.I. with a well-lighted nest in India, according to legends there

Girl Scout Chorus Entertains Area With Music

Girl Scouts of Colma - Broadmoor - Garden Village are now entering their third season as songsters and entertainers. Mrs. Memory Gomez, chorus director, announced this week.

The young ladies (the average age of the girls is 11 years) meet at the home of Mrs. Gomez, 100 Alder avenue, every Monday to practice.

There are 20 voices in the choir which sings everything from barbershop melodies to classical selections. During three years of active work, the chorus has sung before such organizations as the PTA, Lions Club, schools, and before other Girl Scout units.

Presently the songsters are studying the more difficult three-part time, in preparation for a concert they hope to give sometime this spring. Details on the concert will be published in the "Record."

Assisting Mrs. Gomez, who, by the way, has had no formal music training but has a natural ear and talent for the muses, are Mrs. Esle Faust, 11 Village lane, and Mrs. Ilene Blanco, 928 Broadway. Mrs. Faust is well known around Broadmoor, as she plays the organ each Sunday in the Broadmoor Community Presbyterian church.

Charter Saved For Scout Troop

Attending the board of review in South San Francisco recently were members of the Broadmoor Scout Troop No. 84 committee.

The board met with executives of the Scout Council of northern San Mateo county.

While all too few people realize it, the local troop was in danger of losing its charter. However, a last minute plea by Gordon Fiest, scout master, saved the day.

Thanks to the efforts of Fiest and the committee the charter was re-established.

Radar and Storms
Radar was used during the war to "see" electrically the planes and ships of friends and foe in daylight, darkness or fog, far beyond the range of the human eye. With its radar a ship could navigate into a harbor in a pea-soup fog. Today scientists are using radar to map and study storms in a 200-mile circle around a weather station at Wilmington, Ohio.

Drive-In Theatre Public Hearing At Colma Thursday

Calling for a public hearing on the proposed drive-in theatre at Colma, the Colma city council withheld a permit for the work at their meeting Wednesday.

The public hearing is scheduled for Thursday, March 16 at 2 p.m. in the Colma city hall. All those interested are requested to be present.

Present plans call for a theatre to be located between El Camino Real and Junipero Serra boulevard, just north of the Woodlawn cemetery.

There seems to be little objection from the council, although some people in the area fear such a theatre may pose a traffic hazard. The land proposed for the theatre is surrounded by vacant lots.

E. A. Weisenburger, city clerk, was unable to say what theatre firm has applied for the building permit.

Cub Pack No. 84 Gives Dinner

Hailed a great success today is the Cub Pack No. 84 Father-Son dinner held recently in Broadmoor.

All registered cubs and their guests were present, Jack Parker, chairman, reports.

"Much credit for the affair must go to the Den Mothers who arranged the event, and also contributed the food," Parker said. Meanwhile, Parker called on all Broadmoor men interested in cub work and scouting to contact the local pack. The committee of older pack leaders met March 6 to discuss forthcoming outings and methods of guiding the work of the cubs.

Heat Conservation
Weatherstrip loose fitting windows and doors to make them tight and conserve heat.

Westlake Assn. Elect Officers At Monday Meet

Holding one of their few meetings, the Westlake Association met Monday night to elect a board of directors.

Approximately 200 people were present from the Westlake area. Following nominations, the following five men were elected: Dr. George Gibson, Al Dupper, Leonard Oppenheim, Harry Bosberry and James Deignan.

The election was closed and the meeting adjourned when Henry Doelger made a brief speech concerning the coming Daly City election, April 11. Rising on a point of order, Arnold Panella, son-in-law to incumbent Councilman Mel Battye, objected to Doelger's speech.

"He spoke about my father-in-law in not too flattering terms," Panella told the Record today. "I objected and spoke for a few minutes in defense of Hugh Smith and my father-in-law."

Doelger could not be reached for comment today. Following Panella's talk, the meeting adjourned to another subject and Panella was appointed chairman of a committee to investigate the heating problem in Westlake.

The Association will not meet again until December, 1950, Panella said.

All Aboard

A Veterans Administration hospital patient hoists himself into the Red Cross station wagon in which a Motor Service volunteer will drive him home for a week-end visit. Red Cross volunteer drivers chalked up 9,188,000 miles on the road last year.

Moving Heavy Furniture
To move heavy furniture without tearing the floor or linoleum, place a small piece of waxed paper under the legs.

"Record" Reminiscence

From the "Record" 10 Years Ago March 6, 1940

Colma creek went on a rampage, from Collins avenue south, flooding basements, tearing down cement retaining walls and depositing mud and debris over several acres last week.

Richard McArdle, 275 Hillcrest drive, was four years old yesterday. But he won't have another birthday party again for four years. His birthday falls on February 29.

Daly City municipal bus line is maintaining a steady average of 550 passengers per day, according to a report for the month of February.

Flash from Easter Bunny: More than 1,000 colored Easter eggs will be hidden on the grounds of Jefferson High school March 24.

Roland Petrocchi handed out cigars Monday to celebrate the advent of a baby daughter, born Monday morning.

Miss Doris Kramp, who is to marry Carlton Nelson, 30 Hanover street, May 5, was given a shower Friday by Miss Connie Valletta, 301 Evergreen.

Two new Girl Scout troops are being formed in Daly City. A Brownie pack meets each week under the direction of Mrs. T. J. Decker, 824 Templeton. An intermediate group also meets under the supervision of Mrs. John J. Kinsey, 463 Irvington street.

BEST for Home Popping
NO HULLS
JOLLY POP CORN

George A. Ford, 51 Parkview, is now under observation in Mary's Help Hospital, 14th and Guerrero streets, San Francisco. He has been in the hospital for the past two weeks, and may be there for another week or so. The captain of Company No. 2, Daly City Fire Department, is well known in this area, and all his friends hope he will be out of the hospital soon and back on the job. Best luck, George.

E. J. Smith (Smitty), not only keeps city hall spic and span, but time and time again has proven his aptitude to charm the opposite sex. Last Friday, Smitty was witness to a sad but common event. An automobile driving by city hall stalled and came to a dead standstill. In the machine were two port beauties and the driver, Smitty attempted to help the driver get the car started, but all in vain. The young ladies, meanwhile, were worried about a necessary appointment. Always the gallant, Smitty kindly offered to let them use his car. The last thing we saw of the obliging Smith was the back of his head as he drove the young ladies, both managing to squeeze into the front seat, to their appointment.

Mrs. Memory Gomez, 100 Alder avenue, is a one-woman campaign to work up more interest in music in the greater Daly City area. She not only leads a Girl Scout chorus (see Colma page) but is also promoting what she calls "music for fun." She and three other women, Mrs. Dorothy Traxler, Mrs. Esle Faust and Mrs. Carol Freeland, have formed a trio that is well known for its songs sung before various PTA units. (Trio is before the ladies meet at Mrs. Gomez's home each week for practice. It is Mrs. Gomez' desire to someday form a choir of all interested persons in the Daly City area. If you'd like to sing, why not contact Mrs. Gomez at DeLaware 3-3476?

W. W. Sunderland, Daly City's chief of police took a brief rest from duty Tuesday night when he attended a banquet in honor of Martin C. McDonnell, San Mateo's new police chief. Sunderland reports the entertainment was "longer" than the speech making, and all in all he had a mighty enjoyable evening. Guest for the evening was Harry Kimball, FBI agent. Frank Raymond, county newspaperman, was master of ceremonies.

Mrs. Marie Bishop, 66 Bepler street, this week sent a heart-felt thanks to members of the Colma Vista Grande Aerie No. 1848, F.O.E. and the Auxiliary for their donation of blood to her son, Robert Lee Pilgrim. Robert was ill recently, and badly in need of blood. Members of the Eagles came through, and in no little way have helped him to regain his health. Although still in the Mt. Zion hospital, Robert is expected to be home shortly.

Sgt. Wallace Behlendo, 45 Shakespeare, is spending a week with his parents, Mr. and Mrs. Peter Behlendo. The Air Force non-com is on leave from his duties in Massachusetts, and is visiting here for a week with his wife and young son. Wallace is well known around Daly City, as not too many years ago he graduated from Jefferson High school.

Mrs. Victorine Lombard, 174 Los Banos, proprietor of the French Cleaners, 6556 Mission street, is expected to return home from the hospital this week. Mrs. Lombard went to a local hospital for a thorough check-up last Saturday. Her daughter, Mrs. Madeleine Fellows has kept open the business, and will continue to do so, until her mother is able to return.

Colma, Broadmoor, Garden Village News Wanted For "Record"

This section of the "Daly City Record" is especially for those people living in the Colma, Broadmoor, and Garden Village areas. We wish to print news of your neighbors, but we need your help. Part time news writers are needed from these areas. In addition anyone with news of births, weddings, clubs, and so on in these areas can have items printed in this section. Anyone interested in sending in news is asked to contact the "Daly City Record" at 8317 San Jose avenue, Daly City, or phone JUniper 5-8215.

Election Is Chief Topic Before Broadmoor Property Owners Meeting Tonight

Legion Commander Is Re-Elected

Holding their annual election recently, members of the Lake Merced Post No. 9921, American Legion, re-elected Jack Kelleher, 1727 Louvaine drive, post commander.

This will be the second term for Kelleher who has held down the commander's position for the past year.

Other officers elected include: Patrick Patey, senior vice-commander; Gregory Wood, junior vice-commander; Lawrence Magoon, quartermaster; Roy Buckley, chaplain and Anthony Stankus, surgeon.

Following the elections, the regular business meeting was held.

BIBLE COMMENT FOR MARCH 5

An Episode, Old Yet New, In Ephesus

EPHESUS, in the days of the Roman Empire, was the capital of the Roman province of Asia. Situated at the mouth of a river, three miles from the sea, its ample port made it a most important point on the route of trade between Rome and the east.

Here, at Ephesus, was a great temple to the goddess, Throns, came to worship at various times of the year, and the worship and the throngs made much opportunity for profitable business. Worshippers in the temple presented shrines to the goddess.

The silversmiths very naturally were stirred up when the worshippers fell off under the success of Paul's Christian teaching—Paul spent nearly three years in the city—and the demand for silver shrines declined.

Among themselves they said, "Our craft is in danger"; but this might not have been of much appeal to people unconcerned about their profits. So they made a religious issue of it, concealing their personal interest and stirring up prejudice, by crying that the great goddess and her temple were being despised, and her magnificence destroyed. Their ruse worked.

The interesting story is old, but very new. Never, when great reforms are planned, or effort is made to suppress vice, or anti-social practices, are these things defended for what they are. It is not so long ago that the most ardent advocates of liquor were decrying the saloon, and giving the strongest assurances that it would never return. But the rallying cry was about "personal liberty."

The gambling interests today have entrenched themselves around the taxes they pay for old age pensions, and if profits from doubtful things can arrange for taxes to go for schools, or for some other socially worthy project, their defense is secure. Disreputable businesses shelter themselves around what will happen to reputable business if they are suppressed.

Catskill Mountains
Catskill mountains attain a maximum height of 4,205 feet.

Elections will be the principal business before the Broadmoor Property Owners Association that meets tonight, March 9, at the Broadmoor Community Center.

The public is invited to attend the meeting which begins at 8 o'clock under the direction of President Richardson.

During the meeting it is expected a date will be set for the Association election. Reliable sources say this election will be held sometime in May.

Outside of this matter, the meeting is expected to be fairly quiet.

Louis Manis, erosion chairman, reports that the problem of erosion in the area appears to be almost licked, with Henry Stoneson, builder, lending his cooperation to the project to prevent any further slides of silt and mud.

And, except for a few isolated land owners, Stoneson appears to have settled individual problems brought on by the recent erosion troubles.

Only other possible topic of discussion at the meeting may be the future of the playground, for Broadmoor. This is covered in another story on this page.

Fight For Tots' Playground Goes On In Broadmoor

Still working on plans for a playground at MacArthur, a n d Midway in Broadmoor are members of the Broadmoor Property owners Association.

Readers will remember that early in February the plan for the tots' playground suffered a setback when some residents bordering on the property balked at the idea of a playground.

Don Heaster, playground committee chairman, reported this week he will try to get the residents to sign a petition sometime this month to allow the Association to put in the playground.

"The trouble is we have already fenced the property and put in about \$200," Heaster stated.

Plans call for swings and other apparatus for pre-school children on the small playfield.

It is true the Garden Village school grounds will be open this month, but they will not be able to handle the children of pre-school age, Heaster pointed out.

SLOW LEAKS

When a nail or other small object pierces a tire and tube, air loss at first may be slight. This is the reason tire pressure should be checked regularly, advises the California State Automobile Association, since any variation between tires may indicate a possible slow leaking puncture. If the object is not removed promptly and the tube repaired, a sudden flat, causing damage to tube and casing may eventually occur.

Games, Fun For All At Grace Presbyterian Church Fair, March 17

Parents who have meant to take their youngsters out for a good time, but "just never got around to it," are invited to attend the Grace Presbyterian "Family Fun Fair," March 17.

The big party is planned to entertain every member of the family from 85-year-old granddad to 2-year-old Johnny. The church, Hanover and Evergreen, is to be decorated like an old country fair with everything present but the prize cows and horses. (No room in the church for cows, so leave Bossy home.)

Various games will be played in the score of booths along the great fairway, with adequate prizes to the winners. The games are aimed to be of interest to even your mother-in-law.

Following the games, a delicious luncheon, cooked by the Mesdames of Circle No. 3 (sponsors of the event) is to be served.

Remember, March 17 at 7:30 p.m. for the Grace Presbyterian Church "Family Fun Fair."

Oh yes, money from the event is to be used for the construction of a new church.

Gen. Pershing PTA Comes Of Age

(This is the first of two articles to appear in the Daly City Record wherein the history of the General Pershing PTA is traced from the beginning to today.)

By Mrs. E. K. Whinnen
General Pershing P.T.A. was born in February, 1929. Like most infants, newly born, General Pershing spent most of its time just being a baby and getting used to things.

But in 1930 it became a lusty infant, showing signs of a rapid and healthful development. A sewing club was organized; not to make things to sell, to raise money to run the unit, but to give to needy children. This, you will remember was the beginning of the depression and there were many needy people, and those who weren't in need seldom had very much. But these women gave of their time and their substance to help the less fortunate.

The Daly City Theatre was chartered at Eastertime and 285 children had a wonderful time. After the show refreshments were served. Must have been quite a treat to some of those kids in those days.

The women painted the furniture in the kindergarten room, delighting the children, and incidentally, winning a ribbon for their efforts. A Maggie and Jiggs dinner was put on; you know what that would be—corn beef and cabbage! A couple dressed up as Maggie and Jiggs played hosts and greeted the guests. Must have been fun. Also in 1930, shoes were donated to needy children. The well baby clinic was established, and money and services donated.

1931
This brings us to 1931 in the life history of General Pershing. The hot lunch program was organized in this year to run through the winter. A dental clinic was established in Daly City for the benefit of local children. Deodorizers were donated to the school for use in the girls' lavatory.

1932—The depression was really getting underway and many children couldn't afford the luxury of hot lunches. General Pershing instituted a program of hot lunches for the children whose parents couldn't afford them. In many cases the hot noon lunch was the best meal of the day for these little children. At the same time the unit was still carrying on with its sewing for needy children and the donating of shoes to children. It was a time of constant effort and selfless devotion to the Christian precept, "Suffer little children to come unto me."

In 1933 all these efforts were still being carried forward, but this year was mainly notable for the number of pairs of shoes bought for children so that they might go to school.

1934—General Pershing joined with Woodrow Wilson and Vista Grande P.T.A.'s to form the Philanthropic Club, devoted exclusively to helping needy children. In this year the newly-formed club donated the materials and made the unbelievable number of 175 garments for needy families.

By now the depression had really hit bottom. So many men were out of work. So many families in dire need through no fault of their own. By this time even the most frugal had used up what savings they had and when they were gone they had nothing. There was no such thing as getting a job. Buying power was practically non-existent. Those who did have a little income or jobs could make their

Religious Film Sunday Night At Grace Church

A sound film, "Into the Good Ground," will be shown this Sunday at 7:30 p.m. at the Grace Presbyterian Church, Hanover and Evergreen.

Designed to present the Bible as God's answer to human needs, the film depicts the Holy Book as a living part of every man's existence.

The public is invited to attend.

D. C. Sportswomen Vote To Remain A Sports Club

At a special meeting held Monday night at Betty White's, the Daly City Sportswomen voted by a large majority to remain strictly a sports club, and to assist the Daly City Rod and Gun Club, when needed and asked; the purpose for which the club was organized in the first place.

They also voted to rescind the motion, made at the last meeting, to drop out of the Associated Sportsmen and to renew membership in that association.

Much thought had been given to these things since the last meeting, when it seemed that, as a club, were drifting away completely from our original concept, as a sort of little sister to the Rod and Gun, and an independent sports club on our own.

Many of us feel that we have passed a dangerous impasse in our course and are happy to be back in line. Every day this week members of the Daly City Sportswomen are down at the Huck Finn pool of the Sports Show, helping the youngsters to catch their fish, and having a pretty good time themselves too.

B'Nai Israel Holds Purim Party

In celebration of the Jewish holiday, Purim, the Daly City Congregation B'Nai Israel held a Purim party at the synagogue last Thursday evening.

Sponsored by the Men's Club, the party was well attended.

The Purim party was taking note of the story of Esther from the Book of Esther. Previous to the entertainment, services were held in the synagogue.

money go a long way. Everything was very cheap, but too many didn't have even a little money.

BASKETS
A great number of Christmas baskets were made up and delivered to needy families, so that Christmas might not be "just another day" but, indeed, the birthday of Christ. They kept the faith.

Six pairs of shoes, two layettes, and Christmas toys was the final score for 1934. Think what this tremendous effort and good will of a small group of people meant in alleviating suffering in that dark year, Think, too, that at this time General Pershing P.T.A. consisted of only 78 women, and all of them, surely, were not active.

During 1935, 750 hot lunches were served free to needy children. All the cooking and serving was done by the mothers who volunteered their services. A set of dishes for the children's lunch room, and a couch for the teachers' room, were given by the unit.

The 17th district, California Congress of Parents and Teachers, at this time held a Pan-American fair at the San Mateo Junior College, and General Pershing P.T.A. presidents, incoming and outgoing, attired as milkmaids, sold milk at a booth, and thereby materially increased the money available for student aid.

GIFT
And now comes a surprise. Pershing is given a gift. This is in 1936. A beautiful electric coffee urn was presented to General Pershing P.T.A. to be used in the basement kitchen for serving coffee at the meetings. This is such a reversal of the usual order of things it must have been quite a red-letter day for the unit. The winter cafeteria was resumed at full capacity with volunteer workers. A whist to reform the kitchen was held at the municipal auditorium, and was a great success.

In 1937, the first party was given for the graduating class. At that time the fourth graders were graduated from Pershing and went to Crocker to finish grammar school. The first Mother's Forum was organized in Daly City. This is also the first mention of a Hal-loween party for the children in Daly City. Money was donated for playground equipment this year, also.

SOCIETY

Paulist Fathers Conduct Mission For Men and Women

A Paulist Mission, conducted by Father John Stanley of San Francisco, and another Paulist Missionary, will be held at the Church of Corpus Christi beginning March 12 and closing March 26, according to the announcement of Father Della Torre, S.D.B., pastor of the local church.

During the Mission the Paulist Missionaries will be pleased to answer any written questions on religious matters through the use of the Question Box. No names need be signed and the questions will receive courteous consideration.

From past experience the Missionaries have found that questions arousing most attention have dealt with the following: Is the atheist right? Why does God permit war? Does death end all? Can I find a certain guide? Why should marriage be for keeps? Why be a Catholic? Confessional or psychiatric? Should the family be limited? God and my soul?

The Paulist Fathers are the first community of priests to be formed in the United States. Under the leadership of Father Isaac Hecker they were banded together in New York City in 1858 to explain the Catholic belief and practice to inquiring non-Catholics. Hence a cordial invitation to both Catholic and non-Catholics is extended to attend this unusual series.

The evening services begin each night at 7:30 and the morning Masses will be celebrated at 6:15, 8 and 9. All are cordially invited to attend.

DALY CITY—COLMA

Thea Tuohy, Jefferson High school student, Wednesday won the speaking contest held at the regular Lions Club meeting.

As winner of this contest, Thea will represent Daly City in the zone contest to be held in San Mateo later this month. The topic of her speech, and of the three other speakers, was: "Education and American Ideals; Basis for International Understanding."

Thea was chosen the winner after Lions had heard three other Jefferson High students, Elisa Marquez, Paul Ortiz and Jack Kennedy, speak on the same subject.

(Another student, Frank Druhn, won the speaking contest before the Brisbane Lions Club Monday, and therefore will represent that group in the zone contest.)

Turkey Dinner To Be Served By Church Friday

A turkey dinner with all the trimmings will be served in the social hall of the Grace Church of the Nazarene on Friday evening, March 10.

The dinner will be prepared and served by the members of the Women's Foreign Missionary Society and will start at 7:30 p.m. Reverend John A. Nicholson will deliver a short after-dinner speech.

Every Tuesday evening from 7 to 9 p.m. the church recreation hall has been open for supervised play for children between the ages of nine and fourteen. Don Webb has been in charge of this group which has been growing steadily from week to week.

Sunday, March 12, has been called "Mother Goose Sunday" at the Nazarene Sunday school. The primary department of the Bible school will give a special program during the Sunday school hour that starts at 9:45 a.m. Each of the twelve classes have set themselves a goal for higher attendance for this Sunday morning.

Anyone who is not regularly attending another Sunday school is invited to come and enjoy the morning program.

"Hi, Neighbor," Gen. Pershing P. T. A. Theme

By Mrs. E. K. Whinnen

"Hi, Neighbor," the theme of the Tuesday meeting of General Pershing P.T.A., seems especially appropriate in this small friendly community. Members are drawn from many sections of our city, and for such a large organization, meet in an unusually friendly atmosphere.

Melford D. Battye, speaker of the day, enlarged upon this theme, and our friendly relations. He spoke highly of P.T.A. and its influence in the neighborhood. He brought out the importance of the recreation department of the city, and its program for improvement, and the close association of the department with General Pershing P.T.A.

Mr. Battye pointed out the mutuality of aims of the two organizations, and the fine neighborly way in which they have worked together toward making our city a better place, and a happier place in which to live.

To conclude his appointment as speaker, Mr. Battye showed the assembly the pictures of the May Day festival and parade. They were moving pictures, of course, and also in color, showing the beauty of the costumes and the floats. It seems that, somehow, this film had become mislaid, and had just recently come to light again, hence the late showing—almost time for another May Day festival, in which, as good neighbors, we will all join hands again to make it a big success. "Hi, Neighbor."

A bit of unusual entertainment was added to the program Tuesday, in the form of native Philippine songs, sung by Mrs. Adalia de Bautista, dressed in native Philippine costume for such occasions. Mrs. de Bautista sang two songs in the Spanish Philippine tongue. The first, interpreted, "My Love," a serenade, and the second, the well-known "La Golondrina," which, Mrs. de Bautista explained, was originated in the Philippine Islands, and later taken up by the South American countries and the Mexicans, and is thought of by us as a Mexican song. Mrs. de Bautista sang very well and her selection was a treat to the group, accompanied her on the piano.

A few words about the native costume. It was pretty and colorful. Mrs. de Bautista explained that it is made from pineapple fibre. It is a sheer, with the shadow lines and texture of batiste. The dress was long, semi-formal, wrap around effect, with a large, separate shawl-like collar, that tied in front, or could be removed, probably for more formal occasions. The color was salmon with a gold thread embroidery, here and there. The whole effect was one of light, dainty, elegance. Mrs. de Bautista said that this is called a "city dress," much as we would say, "town car."

The table decorations were interesting and original as they have been throughout the year. The theme of the decorations also car-

American Legion Post, Auxiliary To Mark Birthday

Celebrating their joint birthday March 18 will be members of American Legion Post No. 410 and Auxiliary.

Plans for the party are now well underway, and it looks as if it will be the best in many a year.

As usual, the celebration is to be held in the American Legion Hall, 474 San Diego avenue. Dinner will go on the table at 7 p.m.

All senior members (no children this time, please) are invited to attend. They may bring their wives or husbands.

Mrs. Minnie Bernarti is the chairman for the evening, and is now making plans for the dinner.

All members who plan to attend are asked to contact Mrs. Bernarti on or before March 15. She must know the number planning to attend so as to be able to plan the size of "her" dinner.

Mrs. Bernarti may be reached by calling DE 3-6725 any time after 2 p.m.

Eagles Celebrate St. Patrick's Day Next Wednesday

Corn beef and cabbage will be the byword at the regular meeting of the Colma Vista Grande Aerie No. 1884, FOE when they meet next Thursday night, March 16.

Then the members will celebrate St. Patrick's day, although one day earlier than the day the good Saint fought it out with the snakes.

Chairman of the evening is W. J. Carrington, assisted by William Roberts as cook. Roberts has a reputation around the kitchen, and the Eagles are looking forward to a first class feed.

On the more serious side of the evening's events will be the presentation of a civic award to Mayor Paul Green. W. W. Sunderland will present the award as a token of thanks from the Eagles for the fine civic work done by the mayor over the past four years.

Also, a large class initiation is in the offing, in honor of the Eagles Memorial Foundation. Those members who wish to bring in a new member are asked to contact Tom Rae at the Colonial Gift shop before March 16.

Following the ceremonies and dinner, the Eagles will present a fine line-up of Irish entertainers.

ried out the "Hi, Neighbor" theme of the meeting, on the international scale, with little figures, in native costume, or some costume of a country depicted, such as a hot dog in a bun, representing the United States, (Little Loretta Gail Whinnen proceeded to consume the hot dog and bun after the meeting, proving that the choice was appropriate.) All the figures and costumes were hand made by the tea hostesses, Mrs. R. F. Traxler and Mrs. Raymond Gross.

Several "Thank you's" were received by the unit from the teachers for their luncheon, from the "62" Parent Club for the use of the unit's silver and dishes for a whist, from Mrs. Margaret Prescott for her life membership, presented at the last meeting, and from Miss Pansy Jewett Abbott, for her gift and corsage of hankies, presented to her at the last meeting, also.

A letter was received from Stanley D. Khan, of the Mason-Khan dance studios asking permission to present a program of dancers at some meeting in the future. This was taken under advisement.

A report was made by the nominating committee. New officers and chairmen will be announced at a later date. Also a report on the teacher's luncheon was made by Mrs. James Jordan.

Delegates to the 17th district C.C.P.T. meeting in San Carlos March 16, were nominated. The president, Mrs. George Freeland, automatically goes. Mrs. John Eason, Mrs. Arthur Lauffenburger, Mrs. A. S. White, Mrs. R. F. Traxler, and Mrs. Ed. Nenstiel are the others.

The following women will assist with the hearing tests given Wednesday: Mrs. Hugh Smith, Mrs. Arthur Lauffenburger, Mrs. D. C. Gensel and Mrs. J. Benanti.

Girl Scout Scoops

By Jane Keith

Last week we told all of you to listen in to what Anne Cheatham would have to say about her troop in today's column. Here it is!

My name is Anne Cheatham. I will be 11 years old in May and I am a Girl Scout in Troop 16. This troop has six girls in it and we meet at Mrs. (Angie) Thur's house. Mrs. Thur is our leader.

The Girl Scouts of my troop have been working on "Friendship Bags" for the last three weeks. A Friendship Bag is what you send over the ocean to Europe to the poor children.

The bags are about 2 feet square. They are made of "crash" cotton material (I guess and my mother says) and can be any color. They have drawing tops and stenciled designs on them. We could cut any design we wanted out of magazines, etc. to stencil on our bags. We sew the bags ourselves on Mrs. Thur's sewing machine. We take turns.

We don't know yet what will be in the bags, but it will be something these children need — like soap, maybe.

Phyllis Cormack is back again and if you wonder why she appears so regularly here—remember that this column gives YOU a chance to earn a Journalism badge in Scouting! That badge cannot be earned by writing just ONE little story and then expecting a LOT of credit... any good thing takes time and effort to accomplish... so get out those pencils and papers and start yourself off in double quick time! When your material is ready either turn it in to your leader or call Jane Keith at JUniper 4-3576!

ABOUT THE SCOUT HOUSE

I think that the Girl Scouts who meet at the Scout house at the corner of Parkview avenue and Santa Barbara avenue should clean up the yard around the place!

I think the Scout House looks very shabby. Soon the people will come to dislike it. It is also a disgrace to Scouting! We can earn a badge by cleaning it up and this is HOW.

Some of us can bring plants. We can keep down the weeds — keep papers off the yard. Some of us can try to keep the fence up.

I am sure some of the Girl Scouts' fathers and mothers would be glad to help us get started.

I sure hope my leader will like the idea!

Well, Phyllis, I hope your leader will like the idea too and I hope even more that Scout parents or just interested citizens — will read your plea for help and then DO something about it. Meantime, you get busy and talk to the other girls in your troop and to your leader. Get the girls to have some of their parents sponsor your troop. Keep at it until your dream of a neat and lovely Scout House is a reality!

Here is an article on the activities of Troop No. 1 by Colleen McCann, troop scribe:
The Girl Scouts of Troop No. 2 went to a party given by Boy Scouts of Troop No. 106. We danced and played games and had cake and ice cream. We all had a fine time.

EAGLES TEEN AGE DANCE COMING TO DALY CITY THIS SATURDAY

Daly City Bethel Receives Charter

It was red letter night March 3 for members of Bethel U.D., Daly City, for then they obtained their charter and a number, 198.

Now the group is officially known as Bethel 198, O.J.D. Another highlight of the evening was an initiation in which nine girls became members of the Bethel.

The next meeting will be March 17 at the Daly City Masonic Temple, 17 Hillcrest drive. Time for the meeting is set at 7:30 p.m.

Following the regular business a Sport Dance is to be held. All members are invited to attend.

Jeff High PTA Nominations In

New candidates for offices in the Jefferson Union High School P.T.A. have been nominated.

The report of the nominating committee will be heard at the regular P.T.A. meeting to be held today, March 9, 1:30 p.m. at the Jefferson High school.

Immediately following the business meeting the annual Teachers' Tea will be held. This tea gives the parents and the teachers a chance to talk over the progress or problems of the students.

Under the guidance of Miss E. Jones, home economics teacher, the girls will prepare and serve refreshments to all those attending.

Girl Scouts Mark 38th Birthday

Marking their 38th birthday this month, Girl Scouts throughout the nation are holding special celebrations.

In this area Sunday, March 12, scouts from Daly City, Broadmoor, Colma and San Francisco will meet at St. Mary's Cathedral for special non-sectarian services.

Also, three different radio programs will salute the scouts during the coming week. The programs will be: Saturday, March 11, at 10:30 a.m. over CBS; Saturday at 1:30 p.m. over NBC; Sunday at 9 p.m. over CBS, and Wednesday at 5:30 p.m. over the NBC television show.

New Arrivals In Daly City and Vicinity

Happy Birthdays!

Celebrating birthdays next week will be several residents of the Daly City area.

Harry, the "happy baker," wishes them the best of everything, and as always hopes they will have a birthday cake from his cake shop on the table.

March 3 — Pat Sullivan, 123 Garden lane.

March 4 — Lawrence Magoon, 519 87th street; Fred Blume, 89 Vale street; John Soldavini, 7400 Mission; Olga Granpaoli, Rt. 1, Box 4408, Colma.

March 6 — E. Pemaotex, 169 First avenue, Colma.

March 7 — F. Battini, 201 Price street.

March 9 — Al Yaroma, 163 Werner.

Teen-agers with time on their hands and rhythm in their feet are invited to attend the Colma Vista Grande Aerie No. 1848 dance Saturday evening.

There is only one provision. Those attending the dance must be children of members of the Eagles or Auxiliary, or friends of members' children.

But as almost every teen-ager has at least a friend whose father or mother is a member of the Eagles, this dance is practically open to all the youngsters.

Tickets for the affair may be had by contacting Tom Rae at the Colonial Gift Shop, 6272 Mission.

The dance is for children of Eagles and their friends between the ages of 12 and 19. Parents are asked to bring the children, and take them home, but outside of that not to stick around the Eagles Hall where the dance is held.

Music will be furnished by the Daly City Eagles Cowboy band.

Woodrow Wilson PTA Nominates Officers

Nomination of officers for the coming year to the Woodrow Wilson P.T.A. were submitted by the nominating committee at the meeting of the executive board on March 7.

The following offices and persons were presented for consideration: President, Mrs. Lois Adams; vice-president, Mrs. Edward Goldkuhl; recording secretary, Mrs. Philip Gray; treasurer, Mrs. Harold Riley; financial secretary, Miss Elizabeth Kennedy; historian, Mrs. John Sorenson; auditor, Mrs. Wakehouse.

The PTA membership is requested to review these selections and make further nominations from the floor if desired at the regular meeting.

The positions of corresponding secretary and parliamentarian will be appointed by the new president.

Seven representatives were selected to attend the district meeting at San Carlos on March 16. Also tentative plans for installation of new officers were discussed. Mrs. Ted Hopman and Mrs. H. Adams were hostesses for the afternoon and served the group a delicious dessert luncheon.

Tuesday, 8 p.m. — Daly City

NEWS FROM THE SCHOOLS

CROCKER

The following students of Room 2 had perfect attendance last month: Bobby Bugioni, Kenneth Day, Gary Gardner, Patricia Hickley, Donna Iverson, Jack Klinger, Geraldine Lunghi, William Magee, John Montero, Pauline Sharp, Clinton Thistle, Leonard Thistle, Willis Walton and Louise Ward.

ROOM 3

The fifth grade in Room 3 has spent the past week in concluding their study of early American history. The children have gained a good deal of knowledge as to their country's beginnings and its spread into the great nation it is today. They are now ready to make a detailed study of our own state of California. They will study about California today: its cities, its agricultural developments, and its industries. They expect to complete many worthwhile activities and excursions.

Their work in long division is progressing nicely. There are very few difficulties now and those are fast disappearing.

ROOM 4

In their investigation of migration to the remote Pacific Islands, Room 4 has been considering a theory that the people not only spread eastward from Asia, but also west from the South American continent. Five Scandinavian scientists not only believed in this theory, but a few years ago set out to prove it. They built a raft of balsam logs on the coast of Peru, put on a bamboo deck, rigged a sail and drifted out into the ocean. Here they were caught up in the powerful Humboldt current and were swept continually westward. The fascinating story of their adventure was recorded in a log which the class read, in part. The men lived mostly on fish, but some of the sea monsters they met almost upset their raft. Each man had his duties. One was a radio operator who sent out messages daily. Another was navigator. Another carried on experiments with ocean life, and so on. They carried water in bamboo canes, which natives might have done hundreds of years ago. Three months later and 4,000 miles out in the Pacific, they landed in the Tuamotu Archipelago. By their own daring and courage they had proven that, by the aid of the Humboldt current, these islands could have been settled from South America many hundreds of years ago.

A class organization meeting was held on Friday by the morning students of Room 5. There was a tie for president, with votes evenly distributed for Pat Long and David Kruze. The two candidates

Band, No. 5 Firehouse, Oliver and Bellevue.

VETERAN GROUPS & AUXILIARIES

Friday, 8 p.m. — Old Glory Post No. 2044, VFW, Little Italy Hall, 6229A Mission street.

Monday, 8 p.m. — Lake Merced Post No. 9921, Broadmoor Community Center.

Tuesday, 8 p.m. — Auxiliary Lake Merced Post No. 9921, VFW, Broadmoor Community Center.

Wednesday, 8 p.m. — Broadmoor Post 834, American Legion, Broadmoor Community Center.

Wednesday, 8 p.m. — Daly City Unit No. 410, American Legion Auxiliary, Legion Hall, 474 San Diego avenue.

Thursday, 8 p.m. — Frank C. Jordan Colma Post No. 762, Colma Community Center, Dunks street.

Thursday, 8 p.m. — Daly City Post No. 410, American Legion, Legion Hall, 474 San Diego avenue.

WOMEN'S ORGANIZATIONS

Friday, 8 p.m. — Bethel No. 26, OJD, 2668 Mission street.

Friday, 8:15 p.m. — Mothers' Club of OLPH school, OLPH school.

Friday, 8:30 p.m. — Whist, OLPH Church, 60 Wellington.

Monday, 8 p.m. — Hillcrest Circle No. 143, UAOD, Masonic Temple, 17 Hillcrest drive.

Tuesday, 2 p.m. — Ladies' Home Club, Werner Avenue clubhouse.

Tuesday, 8:30 p.m. — Emdian Institute No. 154, YLI, Holy Angels Hall, San Pedro road, Colma.

Wednesday, 8:15 p.m. — El Carmelo Parlor No. 181, NDGW, Masonic Temple, 17 Hillcrest drive.

Thursday, 8:30 p.m. — Court St. Mary No. 1153, CDA, Masonic Temple, 17 Hillcrest drive.

Traffic Lights, Channelization On Skyline Coming

There was good news this week from the state highway department for residents of Daly City and Westlake.

Mayor Paul Green said that by summer the state will begin work on traffic islands and lights not only at the eastern end of Highway No. 1, but also at the western end where the highway goes into Skyline boulevard.

At the present time there are only stop signs at both these intersections. Consequently, due to heavy traffic, a good proportion of the accidents reported in this area occur at the aforesaid intersections.

This program is part of the plan for traffic lights and channelization for Mission street, also to be installed during the summer.

Capitol at Boise
Idaho's state capitol building at Boise is unique in having its own water supply from three artesian wells.

dates agreed that they would take turns being president and vice president. Pat will have the first term as president. Shirley Evans was elected secretary. Regular meetings will be held on Fridays. Committees were chosen to plan for next Friday.

The students are also making a large map of Europe and England. We will be studying the more important countries of Europe for our social studies work during the coming weeks. A map slide projected on the large paper is being used so the outline will be accurate. Wesley Yates and Richard Watson are in charge of outline work.

The sixth grade students in Room 5 are studying about sugar, the leading crop of the Hawaiian Islands. They were surprised to learn that all the cane plantations are owned by Americans and that laborers were brought in from Japan, China, Puerto Rico, and the Philippines because the happy-go-lucky natives wouldn't work the cane fields. Special reports were made on interesting facts and people by Eleanor Backus, Raymond Del Page, La Verne Gardner, Donna Lee Hiett, Marie Louise Schiaffino, and Arthur Williams.

The seventh grade of Room 17 selected Linda Amundsen to represent them in the forthcoming spelling bee. They feel certain that other students in the district will have to be on their toes in order to beat Linda.

A new student, Reigh Rockey, from Milwaukee, Wisconsin, was welcomed to Crocker by the students of Room 1.

Crocker student body has been buzzing with anticipation, as plans for the inauguration assembly of the combined and coordinated officers was programmed. Two assemblies were held, one on Tuesday morning and another on Wednesday afternoon. Honored guests present were: Superintendent Snell, who gave the students a most worthwhile talk on democracy — its powers and responsibilities, as well as its privileges; Supervisor Falconer, who spoke on safety; Marie Traynor, principal of Jefferson, who congratulated the students, and Don Pagani, Jefferson teacher. Accompanying the Jefferson delegation were the president, vice-president, and secretary.

Coordinated plans of the A.M. and P.M. group is planned, to give all students, even though working at a disadvantage in a "swing shift" session, the opportunity to experience, living, sharing, and working in a democratic atmosphere, conducive to citizenship training, as well as training in ability to judge and be judged, to participate and encourage participation, to abide by the decision of the majority, and to direct all efforts toward the good of the group. President Jack Plunkett, A.M. session president, and President James Snell Jr., P.M. session president, are taking the responsibility of seeing that active participation of the entire student body becomes unified and coordinated.

SPELLING BEE

Crocker's sixth, seventh, and eighth grade students, were chosen on the basis of classroom spell-downs, or daily grades, to participate in a competitive spelling bee for a "champion" to participate in the district finals of the 1949 National Spelling Bee. Those participating from each of the respective room grades were: 8th grade — Roberta Taylor, Donald Jennings, 7th grade — Dick Hopman, Linda Amundsen, Johnny MacNicholas, 6th grade — Michael Rogerson, Diane Thompson. The winner was a 6th grade student, Dianne Thompson, 10 years old; second place: Donald Jennings, 13; third place: Dick Hopman, 12.

Dianne Thompson, the Crocker "champion" will have the opportunity to compete with others in the district for the county championship. Good luck, Dianne! Let's see you carry Crocker over the top.

Ticklers

"Give 'em the horn, John. Maybe they'll hurry!"

THE 'RECORD' WANTS TO PRINT THE NEWS BUT NEEDS YOUR AID

No paper can serve its readers unless it prints news of interest. The "Record" is no exception. If there is some event you think should be published, whether it be about yourself, friends or club, please let the "Record" know. We will be glad to print these items if you will mail them to the "Daly City Record," 3317 San Jose avenue, Daly City 25, or call Juniper 5-3215.

"Empty Guns" Kill
Never point a gun at anything you do not want to shoot.

Extinguishing Electrical Fires
An electrical fire can be extinguished by an approved carbon dioxide, vaporizing liquid or dry chemical fire extinguisher safely. These extinguishing agents are non-conductive.

Care of Goldfish
When goldfish are sick be sure they are not overcrowded, overfed, given improper foods or that sick fish have been mixed with healthy ones. Perhaps the water needs changing or the aquarium needs more light. A pinch of salt, either epsom or table, will benefit all fish.

Beet Sugar Marketing Quota
The sugar act of 1948 fixes the nation's best sugar marketing quota at 1,800,000 tons each year for the next five years.

VOICE OF THE PEOPLE

This week several residents in the Daly City area were asked: "Do you think a time and day should be set for burning rubbish in this community?"

Mrs. R. A. Johnson, 300 Westlake — I think a time and hour for burning rubbish can be set. That way everyone is free to clean and burn what they have to without bothering the neighbors. The set day, time and hour could be advertised in the "Record" so everyone would be aware of what they could do.

Mrs. David Reed, 109 E. Vista — I think it's just as well to leave things as they are now. I've never had any trouble with people burning in my neighborhood.

Sgt. Wallace Behlendo, 45 Shakespeare — I think there should not only be a definite time to burn rubbish, but also a definite place. The time to burn should be before 5 p.m. so at night there would be no fire hazard.

Mrs. Robert Bybee, 851 Brunswick — Instead of everyone burning rubbish, why not let the garbage people pick up the waste? This would settle the problem, as they could burn and dispose of the rubbish without bothering anyone.

Edward Woodhall, 7367 Mission — There should be a designated place where rubbish could be taken and burned at any time. Presently there is no such place, and that's why we have the problem.

Mrs. Martin Kaczmarek, 251 Willets — I can see no reason for such

a law, as things are going along nicely as it is. I haven't had any trouble with people burning rubbish in my district.

Mrs. Rudolph Schubert, 298 Westlake — I think this would be a good idea. Everybody has rubbish to burn, and this way you would know that you are doing it in the right time and not have to worry what the neighbors think.

Mrs. Verna Paoli, 41 E. Moltke — I believe people should be able to burn rubbish in their own backyards. However, some time should be set for this so as not to interfere with others in the neighborhood who have just put out a clean wash.

Mrs. Grace Doran, 331 Irvington — I think an hour should be set for burning trash, preferably between 7 and 10 a.m. before women have a chance to get their wash put out on the line.

Mrs. Landess, 101 Citrus — The city should do something about the situation. Lots of people have no place to burn rubbish, some provision should be made for the garbage men to carry it away.

Mrs. Marie Fry, 201 Gambetta — I think it's ample protection for the trash burn. However, I think the time should be set before the wind comes up, probably between 7 and 10 a.m. This time would not interfere with neighbors washing.

Mrs. V. J. Kruse, 664 Hanover — Something should be done about regulating the burning of trash.

Inspection Stamp
The familiar round purple inspection stamp on meat has been used by the department of agriculture for 40 years.

Spanish-American War
Spanish-American war followed the sinking of the battleship Maine in Havana harbor, February 15, 1898.

"Flying Bananas"
U. S. navy's HRP-1 has been popularly and appropriately dubbed "the flying banana."

A Galloping Gentle
Modern gentle known to steelmen as the continuous rolling mill usually picks up slabs of steel at a speed of four and a half miles an hour. Less than two minutes later it reels them off in the form of ribbons at 20 to 25 miles an hour. Higher speeds are frequently attained, however, and the type of steel sheet that ends up as tin cans has been known to travel a mile a minute.

America's No. 1 Truck Value!

FOR 1950—NEW MODELS! NEW POWER! NEW FEATURES!

Ford Trucks for 1950 are the smart buy for you. America's No. 1 Truck is now available in over 175 Bonus Built models. Four great truck engines to choose from . . . two Sixes and two V-8's.

NEW MODELS! Recent additions, like the new F-3 Parcel Delivery, have expanded the Ford Truck line to over 175 models. Each one is Bonus Built—the superstrong construction designed for long, trouble-free truck life.

NEW POWER! You can now have your choice of four engines, including the new, thoroughly proved 110-horsepower, six-cylinder Rouge 254. Only Ford gives you a choice of V-8 or Six!

NEW FEATURES! New Synchro-Silent transmissions, 3 new wheelbases, full air brakes (opt. on F-8), new 15" x 5" hydraulic rear brakes (F-7), new Double Channel frame for the Big Jobs! You get these and many more new features in 1950 model Ford Trucks.

Drop around and take a look at America's No. 1 Truck—today. Let us show you how good a deal you can make on your old model.

No. 1 in choice of engine types. Only Ford gives you a choice of V-8 or six-cylinder engine design.

No. 1 in experience. Latest registrations prove that 2,003,155 Ford Trucks on the road have marked up 18,567,865 truck years of experience . . . a record equaled by no other truck.

No. 1 in long life. Using latest registration data on 6,104,000 trucks, life insurance experts prove Ford Trucks last longer.

No. 1 in value. Ford has the one right truck for you. Over 175 models! Up to 145-horsepower! The only V-8's in trucking! Two Big Jobs rated up to 39,000 lbs. Gross Train Weight! They're Bonus Built which means big reserves of strength and power.

*BONUS: "Something given in addition to what is usual or strictly due"—Webster.

JEFF TRACK MEN LOSE FIRST MEET

After being victorious over S. I. the week before, the Jefferson track team went down in defeat to George Washington of San Francisco last Friday afternoon, March 3, at Jeff.

The varsity lost by the score of 39-73, the 30s lost 18-59, and the 20s lost 16-47.

Washington is rated one of the best in the city, and so the Indians had a pretty rough time of it all afternoon.

In the varsity division, Joe Zanolini ran one of the best races so far this year. Joe won the 880 yard run and took a close second in the mile run.

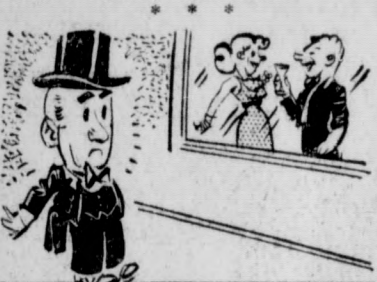

The only other first place taken by the Indians was in the 440, which was won by Bollinger, and the pole vault, which was won by George Ritter.

100 yard dash: 1 (W); 2 (W); 3, Buback (J).
220 yard run: 1 (W); 2 (W); 3, Buback (J).
440 yard run: 1 (W); 2 (W); 3, Buback (J).
880 yard run: 1, Zanolini (J); 2, Nottingham (J); 3 (W).
1 mile: 1 (W); 2, Zanolini (J); 3, Nottingham (J).
1200 low hurdles: 1 (W); 2 (W); 3, Lemon (J).
180 low hurdles: 1 (W); 2, Ritter (J); 3 (W).
Shot Put: 1 (W); 2, Baher (J); 3 (W).
High Jump: 1 (W); 2 (W); 3, Kunz (J).
Broad Jump: 1 (W); 2 (W); 3 (W).
Discus: 1 (W); 2, Taglia (J); 3, Gonella (J).
Pole Vault: 1, Ritter (J); 2 (W); 3 (W).
880 Yard Relay: 1 (W).

STRICTLY FRESH

WE'RE coming through the season of hurricanes and political speeches at full fair. The best hat can be said for both is that they will soon blow over.

Headline: "Wife Must Be Confronted if Marriage Is Going to Work." Oh-h-h-h-h!

Using proper manners, a columnist says, will make you stand out at a party? Stand out where?

Businessmen think prices have hit bottom in some lines. This will be of interest to people who haven't yet bet and lost their bottom dollar.

Wind, we learn, is responsible for many reports of sea serpents. Now that is a blow!

SPORTS

Sarto's Nine Down D. C. Billiard Parlor For San Francisco League Championship

Taking the San Francisco Recreation championship Sunday, Sarto's whipped Daly City Billiard Parlor by 15 to 6.

In a fast-moving game Sarto's nine managed to get a few scattered hits. At no time did the Daly City team ever stand a chance of winning the game.

While there were no outstanding batting jobs done by either side, all the Sarto nine managed to reach first base, and the majority of the hitters at one time or another crossed home plate.

Now that they are champions of the San Francisco League, Sarto's have won the right to play in the Seals Stadium benefit game, April 23. At that time they will take on the Ayobos.

A peculiar feature of Sunday's game was evident to everyone by the fact that while no member of the Sarto's team was over 18 years old, the average age of the fielders for the Daly City nine was 35 years.

This is about the last game the Sarto lads will be playing. Come March 21, when high school baseball opens up, the majority of the Sarto nine will be playing on their high school teams. However, look for the boys April 23, and, of course, again this summer, when they play in the San Francisco league once again.

Meanwhile, backer Joe Sarto also announced this week that another one of his teams, the Colma Boys Senior Club has taken a rest. Members of this fine club are also playing high school and college ball. However, Joe says the Colma boys will be back again in the summer.

The youngest man ever elected president, Stanford V. Burberick, manager of the Burlingame Motor Sales of Burlingame, has been elected president of the Burlingame-San Mateo Motor Car Dealers Association. He is 31.

SMJC Enters Region Playoffs This Week

San Mateo Junior College basketball players go to the Sacramento tournament to compete in regional playoffs that will determine the team to represent central California in the nationals at Hutchinson, Kansas. The Bulldogs play Grant Tech first.

This Sunday afternoon the college Bit and Spur club will have a field day at the Gymkhana Club, with seven events slated for the riders. The riding show is open to the public.

A St. Patrick's theme dance will be held in the Baldwin gym this Friday night from nine to twelve. Bert Whiting and his orchestra will play for the dressy dress for the dance.

Twenty Israeli students have enrolled at San Mateo Junior College this term. All veterans of the fighting against the Arabs, they have been sent to the United States to gain a college education.

When the college recently sponsored a big March of Dimes assembly at the Baywood Theatre over a thousand people attended and nearly \$400 was contributed. Guest artists donated their services to the program.

Sports shorts—The tennis team is now playing initial matches, losing the first one to Santa Clara varsity; the rifle and swimming squads are signing up; Al Sahlborg of Redwood City, star player on the 1949 championship jaycee nine, has just signed to play pro baseball; Bob Peterson, star center, may set a new record of scores in basketball for the college; track men are practicing daily for their coming meet with Sacramento on the Burlingame track, March 18; the baseball nine is going strong, playing the toughest practice opponents it can get to prepare for the conference season.

Only Six More Days To File Income Tax

There are only six more days before the March 15 income tax deadline.

Collector of Internal Revenue James G. Smyth of the First California District advised all taxpayers confronted with difficulties in the preparation of their returns to visit the nearest Internal Revenue office and receive the assistance of deputy collectors.

Be sure you have all your income tax information with you when you ask the deputy collector for advice concerning your return.

"Watered" Milk
You can add lots of water to milk—if you run it through the cow first. See that your milk cows have access to plenty of fresh water.

Gelsi's Liquors Take Fourth Straight Game

Taking their fourth straight game of the season, Gelsi's Liquors downed Leslie Salt 15 to 3 last Sunday.

Sponsored by Fred and Vince from Gelsi's Cavern, the boys on the team used to play under the banner of the Junipero Serra Merchants.

The lads who went to bat in a big way for Gelsi's Sunday were Fred Lucia and Fred Fazio. Lucia who got three for three also did a neat job of pitching. Fazio's record at bat was 4-5.

Hook Arata made the highlight catches in left field and saved many a run.

Top honors must go to Decker, short stop, who came up to bat with the bases loaded. The ball came across the plate, Decker connected and drove in a home run for four runs.

This Sunday Gelsi's play Joe's Place at Marchbanks field at 2 p.m. Why not come down and see your Daly City team in action?

Lions Show

prizes, Anderson said. Remember, this is your show. The Lions need your help. So, if you have any talent at all, be sure and show up for the auditions Wednesday.

Meanwhile, the executive board of the Lions club meets tonight, March 9, for a further discussion of the show. A full report on their decision, and the complete nature of the event, will be published in next week's Record.

SPORTSMEN'S CALENDAR

The Division of Fish and Game reminds California sportsmen of the following general regulations which apply to current hunting and fishing.

CATFISH — No closed season. Bag and possession limit: 15 pounds and one fish in the aggregate. Minimum size limit: 9 inches in Clear Lake; 10 inches in District 22; none elsewhere. Night fishing permitted in District 22, Siskiyou, Shasta, and Modoc counties.

STRIPED BASS — No closed season. Bag limit: five fish or 25 pounds and one fish, or two fish regardless of weight. Minimum size limit: 12 inches.

BLACK BASS, SUNFISH, CRAPPIE, SACRAMENTO PERCH — Closed until April 29 in all counties north of Mono, Madera, Fresno, Kings, and San Luis Obispo. No closed season elsewhere or in Clear Lake. Bag limits: 5 black bass, 25 sunfish, crappie, perch. No size limits.

OCEAN FISH — No closed season except for grunion and salmon, now open. Bag limits: 50 scallops, 15 rockfish, 2 marlin, 2 black sea bass, 2 broadbill swordfish, 3 salmon, 10 tuna, croaker, skipjack, albacore, barracuda, yellowtail, white sea bass, bonito, rock bass, kelp bass, corbina, halibut, ling cod and cabezone. No limit other species.

CLAMS — Ends April 30 in Humboldt and Monterey bay areas. No closed season elsewhere. Bag limits: 30 razor; 10 big neck; 10 Pismo; 15 Washington in Districts 2 and 10; 15 Washington and big neck combined, but not more than 10 big neck in Marin county. No limit on jack knife clams.

CRABS — Ends July 31. Bag limit: 10 in Eel River, Humboldt and Trinidad Bays; none elsewhere. Size limit: no males under seven inches. No females may be taken.

NIGHT BASKETBALL LEAGUE IS BACK

Eight Teams To Compete In Six Week Season At Jefferson High School

By Milton Tromborg

After Union Liquors captured the Night Basketball League championship at the Jefferson High gym a few weeks ago, Coach Glen South, by popular demand, organized another night league at the Jeff gym.

This league seems to be a little better in basketball ability than the last one.

Not all the teams are returning,

in fact, all the teams have changed. For instance, Union Liquors split up and are playing with the Visitacion Valley Merchants. Neville Motors have players from Colma Boys Club, Veterans Inn has players from Colma Boys Club, and Hoyt Water Heater has players from Highway Patrol and Tromborg Plumbers.

New teams in the league include the Seahawks, who won the San

Francisco championship in the C league, Gigli Plumbers and Hayduk A.C., of whom not much is known, and the Loafers, who played in the C league in the San Francisco Recreation league.

I'm a little behind, there will be four games played this week, but full results will be given in next week's paper.

The schedule is not made out, except for the first week of play. Last Tuesday night, March 7, the Seahawks play Gigli Plumbers in the first game and Hayduks A.C. club plays V. V. Merchants in the second game.

Sunday Games

Noon—Daly City Billiards vs. Mission Kiwanis Blues, Marchbanks field.

2 p. m.—Daly City Boys' club vs. Visitacion Valley Center, Potrero Hill.

Thursday night, March 9, Neville Motors vs. Veterans Inn, and in the second game the Loafers will tangle with Hoyt Water Heaters.

This league should prove a lot more interesting than the last one, come down to the Jefferson High School gym on any Tuesday and Thursday night and see two good basketball games. The league will run for about six weeks.

ONE GREAT HOUR of SHARING

These are days of many and serious world problems, which America cannot ignore. Cold war, strikes, revolution, conflict are the phrases that make today's headlines.

Numerous are the theories advanced for solving these problems. Statesmen, economists, and diplomats have tried and failed to achieve their goal of world peace.

But there is another force at work that promises greater success. This is the power of love, fellowship, and understanding—and it takes its banner under the name of Christianity.

On Sunday, March 12, Christians the nation over will gather together to pool their wealth, talents, and faith in ONE GREAT HOUR of SHARING. Only through such united efforts as this can the world come to know the peace that it desires.

Come to Church this Sunday morning and share with others the peace and security that you know will come from Christian living and Christian faith.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

SARAH PALFREY COOKE

ONE OF THE LEADING WOMEN'S TENNIS PLAYERS FOR OVER A DECADE, HAS WON OR SHARED 39 NATIONAL TITLES.

WAY BACK IN 1906 FOOTBALLS HAD STRAPS ATTACHED TO THE TOP AND RUNNING BACKS CARRIED THE BALL LIKE A HANDBAG!

POINT!

THOUGH CHUCK MEDICK IS BLIND, HE IS A PROMINENT TABLE TENNIS REFEREE. HE CALLS THE SHOTS BY EAR!

Legion Commander Views The VA And Hoover Commission

(In his third article in recommendation of the Hoover Commission on veteran affairs, Commander Bordison discussed the proposed new United Medical Administration and how it would affect the disabled or sick veteran.)

By Commander Peter D. Bordison
Daly City Post 410

The present Veterans Administration hospitals have difficulty in providing beds for all veterans among the nation's 19,000,000 in need of hospitalization. The last V. A. report showed 19,717 veterans on the waiting list unable to get a hospital bed! Today the competition for sufficient V. A. beds is often a trial for sick veterans unable to afford private hospital treatment.

The Hoover Commission proposes to take away the exclusive right of veterans to their hospital facilities by merging the V. A. hospital and medical service with the Army and Navy hospitals and the U. S. Public Health Service in a gigantic new federal agency to be known as the United Medical Administration.

Under the proposed UMA set-up, the American veteran would have to compete for hospital beds with the Merchant Marine, the civil service employee and the personnel of the Army, Navy, Air Force and Marine Corps and their dependents!

The veteran is in overwhelming majority. There are 19,000,000 of them. Yet he would not have exclusive hospital facilities. The proposed UMA would be a clear case of the tail wagging the dog!

Under the UMA Plan, veterans, active members of the armed forces and their families, members of the Merchant Marine, and civil service and other government employees all would be hospitalized under different and completely dissimilar authorizations.

A veteran is done with the armed forces. He must no longer be accounted for on a morning report, or on a sick report, or on a clothing report or on a pay record. But the active members of the armed forces admitted to UMA hospitals all would have to have all of these records kept. Imagine the confusion in the hospitals!

COSTLY MERRY-GO-ROUND
Under the Hoover Commission Plan, a disabled or sick veteran requiring hospital treatment would have to go to the VA and make application.

The VA, no longer having hospitals or doctors of its own, would send him to the United Medical Administration, thus ending "one-stop" service! All his records, of course, would be back at the VA.

If the UMA finds the veteran should be hospitalized, the admission to a hospital would then be contingent upon availability of beds not occupied by non-veterans! The American Legion feels this whole Hoover Plan of dealing with the veteran needing hospital care is the entering wedge to divorce the American veteran from his identity as a veteran. He would go back to being a serial number again as he was in time of war.

That's how one change would affect the veteran. It would make him a founding! Now how will it affect you and me as taxpayers?

Setting up of such a colossal new federal agency as the United Medical Administration would involve inevitably the creation of thousands of new jobs.

It would mean the training of many inexperienced new officials, a costly operation in time and money.

It would involve many duplicating functions and still worse, many specialized functions, one special system for each of numerous classes of patients.

It would mean a huge mass of needless paperwork, the routing of case folders back and forth and back and forth.

Such ramifications would not work for economy!

They would result only in more costs, more bureaucracy and more red tape and for the veteran more grief!

My next article will discuss the jokers involved in transferring hospital construction to the Department of the Interior.

"Virginia Peanuts"

More "Virginia" peanuts and more "Virginia" tobacco are grown in North Carolina than in any other state.

HELP THE "RECORD" SPORTS PAGE CROSS THE NEWS GOAL LINE

With the beginning of football season, the "Record" hopes to bring you all the latest on Daly City teams. How about passing along any news of the football season to the "Record." In fact, any items concerning sports from table tennis to bowling are welcome, and will be published. Send these items to the "Daly City Record," 3317 San Jose Avenue, Daly City 25, or call Juniper 5-3215.

BOOKS

There is one point in San Francisco that is seen by more people annually than even the Golden Gate bridge, but is as mysterious to most as the monasteries of Tibet.

That, of course, is the squat little island wherein are housed the nation's worst bad boys, Alcatraz.

Now, the former warden of this crime ulcer has written a book, *Alcatraz Island Prison*. Warden James A. Johnston hasn't turned out any masterpiece of literature, but for a detailed day-to-day, year-to-year report of what goes on out there in the Bay, it should interest most crime book readers.

Warden Johnston planned the prison, and was the first "turnkey" when the place opened for business in 1933. He has a complete background on every man who has ever entered or left the "escape proof" bastion.

In terse, remarkably undramatic terms, Warden Johnston parades before the readers the notorious killers, bank robbers, kidnapers, and others of the underworld. Among the better known that have taken up residence on Alcatraz are Al Capone, Roy Gardner, Count Lustig and scores of others.

One thing becomes all too clear at the conclusion of the work. Were it not for newspapers, the lives of most of the prisoners would be as ordinary and uneventful as a maiden aunt in Podunk. Of course, there are exceptions, but the majority of the thugs lack both imagination and courage to be anything more than case studies in abnormal psychology.

Highlight of the book is a report on the "battle of Alcatraz" in 1946 when prisoners seized on the cell blocks and withstood a siege for 48 hours. But even here, the warden's lack of real dramatic feeling portrays the episode with the same lack of real dramatic feeling portrays the episode with the same fire that a rookie cop would report a run-of-the-mill robbery.

And therein is the chief difficulty with the study. Granted, the topic is of interest to almost anyone with perhaps a bizarre, yet typical understanding of fellow humans, but in telling his story Warden Johnston is too matter of fact. I'm afraid the majority of readers may fall asleep before they are a quarter of the way through the volume.

Another thing is glaringly clear. . . . Warden Johnston wants to make sure that his prison is painted in the best light. He devotes one chapter, one of the longest in the volume, to letters from prisoners. All of the letters praise both the warden and his institution. This may be true enough, but it's mighty boring.

Regardless of these errors, the subject matter is bigger than the author and the book does hold interest. It should be read by every local resident who wants to make a "show" someday of giving a tourist a detailed explanation of the inner workings of "the rock."

And there is another type of character that should be forced to read the book. He, or she, is the juvenile delinquent. Perhaps Warden Johnston's cold, realistic words will be more effective than all the lectures by worried parents.

The book is now available at your Daly City library.

Potato Goes to Britain

Regarding the introduction of the potato into Great Britain, the two legends more generally believed are those surrounding Raleigh and Drake. According to the first: Solanum tuberosum, the common potato of our fields and gardens, was first introduced by Sir Walter Raleigh who brought the roots from Quito and caused them to be planted in his own garden at Youghal, Ireland.

Do You Want To Cut Your Federal Taxes?

Efficiency At Less Cost

Efficiency is necessary to reduce the cost of government. It is also imperative for our national prosperity. The Commission on the Organization of the Executive Branch of the Government in its minute survey of the 1812 Federal agencies, boards, and departments, found a sad lack of effective house-keeping. This Commission, created by Congress with the approval of President Truman, was headed by former President Hoover. It has provided a vivid picture of the weaknesses in our present set-up, and suggested ways of increasing efficiency so that your taxes may be reduced.

Today thousands of tons of obsolete, useless records are stored in steel cabinets in expensive offices at maintenance charges of \$29 per year each, when they could be kept in warehouses at a cost of only \$2.15 per year each.

In 1928 the Department of Agriculture had about 226,000 employees and spent less than \$26 million. In 1948 it had 82,000 employees and spent \$834 millions of your hard-earned tax dollars. In a single Georgia cotton county, 47 employees of 7 separate USDA field services were handling out advice. A Washington State county had 184 Department agents and a Maryland county had 88 agents advising the heavily taxed farmers. A Missouri dairyman was "confused and irritated" when he recently received contradictory advice from five government agencies on how to fertilize his fields.

These are a few instances of the thousands discovered by the Commission where elimination of duplication would give increased efficiency and better service at less cost. If all of the recommendations of the Commission are adopted, the workers of this country would save between three and four billion dollars in taxes annually.

If you are interested in seeing these changes made in your government, tell your Congressman. Write the Citizens Committee for Reorganization of the Executive Branch of the Government, 1421 Chestnut Street, Philadelphia 22, Pennsylvania, for more information. Talk to your friends about it. These much-needed reforms cannot be made into law without your support!

Overseas Markets

Southern farmers depend on overseas markets for about half of their cotton sales, and 30 per cent of their tobacco sales.

NEWS OF SOCIETY CAN BE PUBLISHED WITH YOUR HELP

What is Society? As far as this page is concerned the cream of Society is you, your friends and your various activities. We want to tell the world about your social circle. How about giving us a helping hand, by sending it notes of interest, regardless of how short or long, to the "Daly City Record," 3317 San Jose Avenue, Daly City 25, or call Juniper 5-3215.

STEAM VALVE

Do you have a complaint? A suggestion? Comment? The Daly City Record will be glad to print letters submitted by local people on local subjects, in a "LETTERBOX" column on Page 2. The column will be printed whenever such letters are received.

Letters of public interest are welcomed for publication, so long as they are not libelous. All letters sent for publication must bear the author's signature, although the signature will be withheld from publication if requested. Unsigned letters will not be published.

Said list shall be headed Nominees for Public Office in conspicuous type and be in form required by law, that said Clerk also post said list on the official bulletin boards and be it further resolved:

That the Clerk publish a list of nominees for office in alphabetical order and the respective offices for which they have been nominated at least twice before the day of election in the Daly City Record a weekly Newspaper published in the City of Daly City, County of San Mateo, State of California, said Record being a Newspaper of general circulation published nearest the Town of Colma.

Said list shall be headed Nominees for Public Office in conspicuous type and be in form required by law, that said Clerk also post said list on the official bulletin boards and be it further resolved:

That the Clerk procure the necessary voting booths and see that they are properly erected; that he also have the necessary ballots printed and secure the necessary supplies and see that they are properly distributed to the voting booth prior to the opening of the polls on the day of election and he take such further action as may be necessary to carry these Resolutions into effect and for holding said election.

Bleaching Fabrics

Bleaching may be done by using a reliable bleaching agent and by following the manufacturer's directions. Special care should be taken with delicate fabrics. Bleaching solution left in clothes containers work. The temperature and the time should be carefully controlled. Fabrics which have been treated with bleaching agents should be thoroughly rinsed until all of the bleach has been removed. Ordinarily, colored fabrics should not be bleached. Chlorine solutions should not be used on silk or wool.

South Pole Ice Cap
Growth of the South Pole ice cap is certified by the snowfalls which produce the thousands of great icebergs disgorged annually along its 12,000 mile coast line.

EIGHT CANDIDATE

Charles DeSalvatore Burlingame Man Seeks County Controller Job

Another major political surprise was sweeping San Mateo county today with the announcement by Charles De Salvatore, Burlingame - San Mateo automobile man and civic leader, that he will be a candidate for the important office of county controller at the June 6 primary election.

He will seek the office now held by former Supervisor Fred Beer, who was appointed by his colleagues on the board of supervisors, following the death of the former controller, Tom Kane.

Stressing the great importance of the county controller's office, De Salvatore said it was surprising to find that the power of the office is so little understood. He pointed out the controller is the last word on the expenditure of all county governmental funds, because he must approve and pay all claims against the county.

The candidate said the controller's office is the final check on whether the taxpayer is getting value received for his tax money.

De Salvatore was born in Italy, and when he was a year old came to New York with his parents. Shortly after arrival, the family moved on to San Francisco where the candidate attended public schools, and took special courses in accounting work. He started work with the Thomas Cook and Sons travel agency, transferring later to the Southern Pacific. Twenty-nine years ago he went with the J. E. French Company, widely known automobile dealers,

and was elevated to the position of director of sales for the San Francisco area. Fifteen years ago he was made branch manager at Burlingame, which position he still retains.

Active in civic and community affairs De Salvatore is a past president of the Lions Club, past president of the Burlingame - San Mateo Motor Car Dealers Association, vice president, Peninsula Automobile Dealers Association; member of the San Mateo Elks, the Peninsula Sportsmen's Club, Inc., the Peninsula Social Club, Inc. (Italian - American), the Green Hills Country Club, the Chambers of Commerce of both Burlingame and San Mateo, the St. Matthew's Fathers' Club, and heads the judicial committee of the present grand jury.

DAILY CITY RECORD

THURSDAY, MARCH 9, 1950

New officers were elected by the Peninsula Automobile Dealers Association, including all agencies in Daly City, at the annual meeting held in San Mateo. In the photo above, listed from left

to right in front row, are: Al Davies of Palo Alto, vice president; Clay Fisher of San Bruno, elected a vice president; Dan Min- to of Burlingame, outgoing president; James Bell of Palo Alto,

North County Council Studies Five Day Week

Now under study by a committee of the North San Mateo council is whether or not city employees here shall work a five-day, 40-hour week.

The committee is due to make a report in April, so as to fit any change into the budget for the 1950-51 fiscal year.

Millbrae Councilman William F. Leutenegger, chairman of the six-man committee, said special emphasis of the study would be made in the fire and police departments.

Daly City has no full-time department, but police here work a 48-hour week, as do officers in South San Francisco.

Recently, city employees requested not only a 40-hour week, but also a five-day week. Presently, some employees work only 38 hours, but must put in one-half day on Saturdays.

Assisting Leutenegger in his study will be Ed Mooney, Daly City; Don Rizzo, San Bruno; Victor Bojdo and Charles Elder, South San Francisco, and Mayor Peter Barsi of Colma.

The plans for the survey were drawn up at the regular meeting of the council Thursday night at the Club Casino in Daly City. Mayor Paul Green served as host chairman of the evening.

Also discussed were plans for an industrial survey of north San Mateo county. Mayor Leo Ferko, South San Francisco, said a meeting to lay groundwork for further study of the survey will be called in the near future.

Mayor Ferko, who will not run for re-election, was voted an honorary member of the five-city council which he helped to organize.

Sundermann Solves Hit-Run Case

A San Francisco alleged hit-run driver is in custody today thanks to fast work on behalf of Daly City Officer Henry Sundermann.

Charger with manslaughter and hit-run driving is James Springer, 22, 1465 Forty-eighth avenue, San Francisco. Springer, a merchant seaman, assertedly struck down Steven Durney, 68, 1721 Alabama, on Army street Sunday evening.

Springer allegedly failed to stop and Durney died a few minutes after the accident. The only clue police had to Springer's identity was a bit of broken front glass window.

Then, yesterday, Sundermann

learned from a friend that Donald Cunningham, 290 Holladay street, San Francisco, had been in the Daly City area looking for a windshield for a 1941 coupe, the same type of car involved in the accident.

Sundermann remembered Cunningham as a 22 year old who not too long ago was issued a citation for a defective rear window. Somehow the rear and front windshield didn't tie in, so Sundermann looked up Cunningham.

After quizzing the San Francisco man, Sundermann learned he had bought the glass for Springer. A few hours later San Francisco police picked up Springer.

George Reilly Seeks Re-election To State Position

George R. Reilly of San Francisco this week announced his candidacy for re-election as First District member of the State Board of Equalization.

Louis R. Lurie, well-known builder, is chairman and finance director of the committee which will direct the campaign.

Reilly was first elected to the office in 1938 and has been chairman of the five-man board for the past six months.

His statement follows: "Since 1938 it has been my privilege to serve as First District

member of the State Board of Equalization, representing the seven central coast counties of San Francisco, San Mateo, Santa Clara, Santa Cruz, San Benito, Monterey and San Luis Obispo. "I will submit my candidacy, as in the past, to the people of both political parties.

"If elected, I will continue to toil unceasingly to administer the First District office without favoritism, but with integrity, courage and intelligence. I will continue to represent the citizens and taxpayers with the same honesty of purpose, faithfulness to trust, and

Chevrolet is the only motor car that brings you these outstanding features at lowest prices... NEW STYLE-STAR BODIES BY FISHER • NEW TWO-TONE FISHER INTERIORS • CENTER-POINT STEERING • CURVED WINDSHIELD with PANORAMIC VISIBILITY • LONGEST, HEAVIEST LOW-PRICED CAR • CERTI-SAFE HYDRAULIC BRAKES with Duple rivetless linings • EXTRA-ECONOMICAL TO OWN — OPERATE — MAINTAIN.

POWERglide AUTOMATIC TRANSMISSION*

Here, for the first time in low-cost motoring, is a truly automatic drive. Chevrolet's exclusive Powerglide Automatic Transmission teamed with a new 105-h.p. Valve-in-Head Engine, that is the most powerful in its field, brings you an entirely new kind of smooth-flowing movement at all speeds, without clutch pedal, "clutch pushing" or gearshifting. All this with traditional Chevrolet economy in over-all driving.

*Combination of Powerglide Transmission and 105-h.p. engine optional on De Luxe models at extra cost.

You want maximum value in everything you buy... and the outstanding value among motor cars is the 1950 Chevrolet... as more and more people are discovering all the time.

This car and this car alone provides the trim and tailored beauty of Body by Fisher, at lowest cost! This car and this car alone offers a choice of the finest in automatic or standard drives, at lowest cost! This car and this car alone gives all the thrills and trustworthiness of Valve-in-Head Engine performance—including the most powerful engine in its field at lowest cost!

And so it goes through every phase of motor car value; for only Chevrolet offers so many features of highest-priced automobiles at the lowest prices!

Yes, here's the best and most beautiful car for your money—Chevrolet for '50—and that's why people everywhere are saying it's first and finest at lowest cost!

CATHOLIC TALK

Father T. J. Bowe

Doctrine Lectures Continue This Month At OLPH

Of interest to Catholic and non-Catholics alike is the series of lectures being delivered at Our Lady of Perpetual Help Church each Tuesday evening during Lent by Father Thomas J. Bowe, J.C.D.

These lectures, which are being well attended by citizens of Daly City, deal with Catholic doctrine and afford a splendid opportunity to obtain a concept of the faith.

29 City Council Positions In SM County At Stake

City council positions, 29 of them, are to be filled in 12 San Mateo county cities April 11. Daly City residents will vote to fill three council vacancies.

When the nomination period closed March 2, the following men in the various cities had filed for the favor of voters.

Daly City — Paul Green, A. J. Gaggero, Mel Battye, all incumbents; Hugh H. Smith Jr., Ed Nensiel and James H. Kenney, newcomers to politics.

South San Francisco — Joseph J. Bracco, Arthur E. Anderson, J. S. Conley, Lawrence Verne, Thomas B. Kay, Max T. Petroff and Adolph Sani, the only incumbents.

Colma — Earl Taylor and John Price, incumbents. Raymond Ottoboli, newcomer. C. H. Parker will oppose Henry Kempf as treasurer. City Clerk E. A. Weisenburger is unopposed.

Belmont — Lyle Jones and Donnell McCarthy, incumbents. Robert L. Rousseau and Rene LaPorte will seek council positions. City Clerk Catherine A. Heatsner and City Treasurer Rebecca Manning are unopposed.

San Bruno — John Murphy, William Maurer, incumbents; Dr. Leslie C. White, Wilson Dills, Edward F. Nation, Dominick Pitto, that has persevered for over 1900 years.

Father Bowe, who is attached to the Archbishop's staff will present the following subjects:

March 14, "God's Church Is Holy";

March 21, "God's Church Is Catholic";

March 28, "God's Church Is Apostolic";

All of the people of Daly City are cordially invited.

One Wreck In Daly City This Week

Automobile accidents are on the decrease in Daly City these days, with only one collision reported this week.

Involved in a wreck on Mission north of E. Cavour Tuesday morning were: Jeanne M. Nowak, 26, 730 Templeton and Richard Hall, 23, 20 Lyons, San Francisco.

Neither of the drivers was injured, although both cars will need repairs. Police report the two machines collided, although further details are not available at this time.

Most silver produced in California is a by-product from mining of gold, copper, lead and zinc.

The Navajo Bridge across the Colorado River in Grand Canyon National Park is 497 feet above the river.

San Carlos — Newell Sharkey, incumbent; Ormonde O. Britton, Ed H. Drotleff, James Fitzgerald, Mrs. Adeline W. Ellison will oppose Miss Kathleen M. Grant for the city clerk's job. City Treasurer Harry L. Grant is unopposed.

Atherton — An uncontested race. Councilman Edward A. Eyre, George H. Linsley Jr. and Harry A. Mitchell.

Hillsborough — Also uncontested, with Mayor Ernest Ingold and Councilman Kenneth Montague seeking re-election.

Burlingame — U.S. Simonds Jr. and Peter Dahl, incumbents; Roy B. Dempster, H. Jay Burns, Roy W. Seagraves, Norman Belliveau, Andrew Byrd.

Millbrae — Harold Taylor, George Warman, Franklin A. Oehm, incumbents; Emilio Massolo, Walter Hahn, Edwin J. Ray, Harry Morrison, Richard F. Smith.

Redwood City — Mayor William M. Werder, Arthur V. Swift, and Carl A. Britschgi, incumbents; Fred W. Carbine, Hiram S. Stout, Barney Bernard, William Royer.

Menlo Park — Mayor Charles P. Burgess, Wallace H. Brown, George Ford, incumbents; Harrison Johnston.

Mrs. Bostwick Jr. Appointed Director

Appointment of Mrs. Henry Bostwick Jr. as director of the publicly committee of the American Cancer Society's 1950 Cancer Crusade here was announced this week by Norman J. Corlett, president of the San Mateo County branch of the American Cancer Society.

"Facts about cancer can save many lives," Mrs. Bostwick declared. "Physicians tell us that perhaps one-third of those who die each year could and should have been saved by early diagnosis and prompt, proper treatment. Had they known a few essential bits of information they might now be alive."

Mrs. Bostwick's committee will have the challenging task of spreading life-saving information about cancer in this community. One of the important things we all should know is that no one can safely consider himself immune to cancer. One out of every five of us will probably develop this disease so each of us must support the fight against it.

Open-air Fleishhacker Pool in San Francisco is 100 by 1,000 feet and contains 6,500 gallons of water.

Earliest readable inscription on Inscription Rock, in New Mexico, was made by General Don Juan de Onate, in 1605.

More Large Farms
There were more large farms in 1945 than in 1940; about 9,000 more with 1,000 or more acres.

Letter To The Editor

A Parent Interested In Children Speaks

Enclosed is an article that interested me greatly.

(Article on closing of Daly City Boys Club. See page 1 story and editorial.)

I'm not the mother of a teenager yet, but in seven years I will be, and I think as one.

If children had more decent outlets for their wonderful energy, they certainly wouldn't be such a delinquent problem.

May I suggest you emphasize the dire need for more recreation centers for our youngsters in your paper. It's a shame that parents must be educated to facts like these, but they must, so I believe a campaign by the newspaper is a great way to reach the parents and public.

Sincerely,
Mrs. Camille Almada

New Belli Market To Open Here March 23rd

One of the most modern markets in San Mateo county, Belli Market, 7283 Mission, will open for business here March 23.

Constructed to operate as a "baby super market," the brick and glass building will house every want of the busy housewife from a fine delicatessen to a meat market.

This new super market will replace the present G. Belli & Sons store at 26 San Pedro road. The old store will close March 22, and the new one open the next day.

The same efficient, knowing management will operate the new concern. At the "helm" will be Joseph Belli Sr., who has been in the grocery business here for the past 30 years. Assisting him will be his two sons, Joseph and Robert.

Located across from the Crest theatre, the new store has every feature of a modern, convenient, clean place to shop. Included in the streamlined building will be a fine vegetable department, delicatessen, fruit department, butcher shop, and thousands of varieties of canned goods.

Watch the "Record" next week for an announcement of the grand celebration on opening day.

TOM the

Merchant Banquet Hailed As Success

Walter Reiner Jr., president of the Geneva-Mission Merchants Association, reports that the banquet held Saturday evening, March 4, was a sellout.

Hon. Judge John B. Molinari did a wonderful job as installing of-

ficer. Assistant City Attorney Reynold J. Bianchi also did a bang-up job as toastmaster. Everyone enjoyed the food and dancing till 2 a.m. The chairman of the banquet committee, Gene Balma, and his committee deserve a lot of credit for the fine work in arranging the banquet and music.

The most important gold deposits of California are stream placers and vein or lode deposits.

San Mateo Paper Work On Increase

Paper work is really on the increase in San Mateo county this year, with 5,787 papers handled by the county recorder in February as compared with 4,181 papers one year ago.

This has brought more revenue to the county, \$16,156 as compared with \$10,694 for the same period in 1949.

Dan Cupid, however, took a vacation last month with only 93 marriages reported. There were 112 marriages during February, 1949.

'On The Town' Starts Sunday At
Crest Theatre For Four-Day Run

COUPLING UP... Not one but three romances take place in M-G-M's multi-starred Technicolor musical, "On the Town," which will be Sunday's big attraction at the Crest Theatre here are Frank Sinatra with Betty Garrett, Jules Munshin with Ann Miller and Gene Kelly with Vera-Ellen in the lifting story of three gobs and their gals on a song-and-dance spree in New York Town. Gene Kelly and Stanley Donen directed the film version of the Broadway stage success. The picture will run four days. Companion feature is "Disaster" with Richard Denning.

Three gobs and their gals on a twenty-four hour leave in the Big City, set to songs, dancing and laughter — that's the entertainment spree offered in M-G-M's new Technicolor musical jambo-ree, "On the Town," headline attraction at the Crest Theatre, starting Sunday for four days.

Gene Kelly, Frank Sinatra and Jules Munshin are the sailors; Betty Garrett, Ann Miller and Vera-Ellen are the cuties who lead them on a scintillating sight-seeing tour of New York in this

all-star filmization of one of Broadway's biggest stage hits.

The plot thread hangs on Kelly's search for Vera-Ellen, whose picture, as "Miss Turnstiles of the Month," he has seen on a subway card and whom he meets briefly and falls in love with at first sight. But he loses her again and lines up his pals, Sinatra, Munshin, the hardboiled but romantic lady taxi-driver Betty Garrett, and the glamorous anthropologist Ann Miller, to scour the town and find her. Before they are through

they have demolished the skeleton of a prehistoric dinosaur at the Museum of Natural History, gotten into a jam at the top of the Empire State Building, covered such spots as Grant's Tomb, an assortment of night clubs and the Brooklyn Navy Yard, and end up in a wild police chase at Coney Island.

It's one grand romp, punctuated with some of the tuneziest tunes you've ever heard (some from the original score and some brand new) and some wonderful dance routines in which Kelly and Vera-Ellen go to town. Standouts are the "Miss Turnstiles Ballet" and the "Day in New York Ballet," while the songs you will be whistling and dancing to yourself include "New York, New York," "Frehistoric Man," "Come Up to My Place," "Main Street," "You're Awful," "Count On Me" and "On the Town."

All the principals perform with a spontaneous and infectious gaiety, and there are topnotchers in the supporting cast, too, among them Florence Bates as a bousy vocal coach with a secret love for the bottle; the riotous Alice Pearce, who repeats her original stage role as the bind-date completely devoid of glamour, and George Meader as the confused and enraged professor of anthropology.

Everyone who had a hand in this merry melange deserves piousness, including Adolph Green and Betty Comden who wrote the screen play and much of the score, Arthur Freed, who gave the picture lavish production, and Gene Kelly and Stanley Donen, who directed. It's a double-play hit for Kelly, who both starred and co-directed "On the Town," but it's an all-time entertainment hit for everyone who sees this utterly captivating musical.

Red Cross Disaster Meeting March 14

R. C. Pitcairn and J. Howard Walzer, co-chairmen of Disaster Preparedness and Relief for the San Mateo County Chapter, American Red Cross, have called a meeting of all key government and Red Cross personnel concerned with the Disaster set up, for Tuesday evening, March 14, at 8 p.m. in the council chambers of the San Mateo city hall.

Walzer will preside. Featured speaker will be Russell Ball, chief of research service of the Berkeley office of the Atomic Energy Commission. Ball will show a motion picture, taken by the A. E. C., of the bombing of Hiroshima.

Each Disaster sub-committee chairman will explain the organization and function of his committee in the overall plan.

The largest curio shop in the world adjoins the Cliff House at the San Francisco Beach.

Judge Murray Draper To Seek Re-election

Judge Murray Draper this week said he will seek re-election to his position on the bench of the San Mateo County Superior court.

To date he is unopposed, although possible opposition may come from Wayne Millington.

Judge Draper was appointed to the new third department of court in Redwood City by Governor Earl Warren last November 1. He is the

Navy Still Wants WAVES

A limited number of young girls between 20 and 31 years of age are being selected for the Navy Waves. It was announced today by Chief Pete Foulger of the Navy recruiting station, post office building, San Mateo.

Navy experience opens new doors of opportunity to young girls, for Navy training is carefully directed to discover and develop individual talents. They have the opportunity for specialized instruction and self-improvement the Navy way, and they earn while they learn, advancing in rate and pay as they become qualified.

Waves have successfully filled approximately 450 different kinds of Navy jobs. They will continue to serve in the regular Navy in all appropriate fields, such as communications, supply, aviation, general administration and particularly hospital work. Additional and diversified types of work are being added as fast as the Navy finds them appropriate and useful.

For complete information on the Navy Wave program, visit the Navy recruiting station, post office building, San Mateo. Phone DI 4-2781.

Pool Vote Coming
San Brunans will have an opportunity April 3 to vote whether or not they wish a \$200,000 indoor pool.

The San Bruno city council approved a bond issue for construction of the swimming pool at a recent council meeting.

ZENITH "PRESIDENTIAL" LINE OF 1950

Giant Picture "Black Magic" Blaxide Tube Television

Every Model with Built-In "Picturemagnet" Aerial and Sensational New "Super-Range" Chassis

165 Sq. Inch Screen

1950 Zenith "Lincoln" Television Console with new "Super-Range" chassis, built-in "Picturemagnet" aerial and Glare-Ban "Black" Blaxide Tube, 165 Sq. In. Screen. Exclusive cabinet of genuine Mahogany or Walnut veneers, with all of Zenith's advanced features at their best.

Pay ONLY **\$3.76** a week

Only Zenith Gives You All These Sensational TV Features

New Zenith "Blaxide" "Black" Tube... brings a new standard of television picture quality. Provides unequalled TV viewing pleasure, even in normally lighted rooms—the way medical authorities recommend television should be viewed!

New "Super-Range" Chassis... super-sensitive for pictures of greater clarity—even in many "fringe" areas.

Built-in "Picturemagnet" Aerial... allows you to enjoy Zenith's superb TV without external aerial in many locations!

Giant Circle Screen With Picture Control... gives you real picture superiority. Brings your choice of circular or rectangular picture at the flick of a finger.

One-Knob Automatic Tuning... just one twist brings in station, picture, sound—all pre-adjusted.

Woman Labor Official Seeks Supervisor Job

Union labor will make a bid for a seat on the county board of supervisors in June.

Mrs. Ruth Bradley, treasurer of the AFL Central Labor Council of San Mateo county, this week said she would file soon as a candidate against incumbent Martin Poss of

San Mateo.

A leader of the labor movement for the past 16 years, Mrs. Bradley has taken a prominent part in political and civic activities. Mrs. Bradley resides at 206 E. El Dorado street, San Mateo.

Poss, the first board member to have a woman as his opposition, has served as county supervisor since 1945.

Irish Songsters, Dancers At OLPH Fete, March 19

Sure now, but it's corned beef and cabbage that will be drawing all the good Irishmen to the Our Lady of Perpetual Help school auditorium March 19 for the St. Patrick's Day celebration.

Although coming two days after the good Saint's birthday, the festival promises to be right on time with good food and entertainment.

Getting underway at 6:30 p.m., there will be a dinner fit for any good lover of things Irish. (And even lovers of spaghetti will find the corned beef and cabbage mighty tasty.)

But the best comes later, at 8:15 p.m. to be exact. Then, the most talented Irish dancers, singers, and entertainers from the world around will be present to lend an authentic air to the evening's festivities. The lads and lassies promise to present a true picture of Irish life that will bring back memories to Irishmen and followers of Irish movies.

During the week, the entertainers have been practicing under the fine eyes of Sister Clarice, Superior at OLPH. She has been assisted in the rehearsals by Valetta Ennis.

As everyone must know by now, the celebration is being sponsored by the Holy Names Society, William Carrington, chairman.

Tickets may be obtained from any of the society members, or at the door Sunday evening.

Lomita Annexation Election April 25

April 25 is the date Lomita Park residents will decide whether or not to join San Bruno.

After hearing a few protests, the San Bruno city council set this date for the election. Those opposing the annexation in Lomita Park have threatened to bring a

Thief Rummages; Takes Nothing

The Morans of 75 Cliffside drive are wondering today what interest an unidentified burglar can have in their home.

While the Morans were visiting neighbors Sunday night, a prowler entered their home through a basement door, left open, fittingly enough, for a dog.

Going upstairs, the thug went directly to the bedroom where he proceeded to distribute the contents of the bureau drawers all over the floor. Evidently satisfied there was nothing there of value, the untidy thief left the house.

suit against San Bruno if the annexation goes through. However, Mayor Edward McGuire asserts everything is legal.

BAKE SALE THIS SATURDAY

A bake sale, featuring your favorite foods, will be held Saturday, March 11, at the Colonial Gift Shop, 6272 Mission street.

The sale, sponsored by Circle No. 5, Grace Presbyterian Church, gets underway at 9:30 a.m.

Some of the good things to eat on sale will be: angel food cakes, devil food cakes (well separated from one another), Presbyterian potato salad, cookies and pies.

All money from the sale is to be used toward building the new church.

Morans told police that nothing was taken, although he caused Mrs. Moran some grief in her housekeeping duties.

Peter Dahl To Stand Trial March 13

Going on trial March 13 for alleged bribery will be Burlingame City Councilman Peter Dahl.

Dahl will stand trial in Judge Murray Draper's court in Redwood City. Earlier, he denied before a grand jury the accusation that he had taken bribes to keep a bookie and cardroom operator in business.

Bruce Atherton Werhoh, Dahl's attorney, said he will seek immediately a writ of probation from the appellate court to halt the action.

Red Cross Opens First Aid Classes

Joe Ailamus, chairman of safety services of the local Red Cross, made public today information on two First Aid classes.

One First Aid class began March 7 at the Lawrence School, Third and Fremont, San Mateo,

and will be held on Tuesday and Friday evenings for four weeks. The classes run from 7:30 to 9:30 p.m. Jim Altieri, chairman of First Aid, instructs this group.

The second class will start on March 14 at the Helen Percy Chesebrough Chapter House, 1449 Bellevue avenue, Burlingame, and will meet on Tuesday evenings for nine weeks from 7:30 to 9:30 p.m. and will be instructed by W. C. Van Bohmer. Certificates will be issued to those who satisfactorily complete these courses.

Registrations can be made by calling DL 3-4561 or by attending the first evening of either class.

There are six "forests" in the Petrified Forest National Monument in Arizona.

IN MEMORIAM

In loving memory of our dear son and brother William.

God saw that he was tired

And the road was hard to climb

So He closed his weary eyelids

And whispered "Peace Be Thine."

Sorrowing parents Mr. and Mrs. William Craig and Sister Violet

IN MEMORIAM

In remembrance of my dearly beloved husband William who passed away March 6, 1949

We missed him because we loved him

He was dearer than silver or gold

No treasure on earth can replace him

His memory will never grow old.

His loving wife Doris and children

William Donald, Beverly Jean and Donald Robert Craig.
